A Stone for a Pillow Madeleine L'Engle, 2017-05-23 Book 2 of The Genesis Trilogy This special reissue of a classic work of spirituality from the author of *A Wrinkle in Time* offers life transforming insights on the rich heritage of the Bible and shows how the characters of this ancient text are relevant for living the good life now Includes a new reader's guide In this book for the curious spiritual seeker Madeleine L'Engle offers relevant lessons drawn from the life of Jacob from the Old Testament Here the son of Isaac becomes a spiritual companion to L'Engle equipping her to deal with earthly and psychological struggles Throughout her journey L'Engle offers contemporary answers to questions that burden modern day readers and believers With her customary fearlessness and candor she broaches such topics as the significance of angels redemption sexual identity forgiveness and the seemingly constant conflict between good and evil Madeleine L'Engle possesses the same ambidextrous skill of storytelling as other literary giants including C S Lewis and George MacDonald Her fictional stories appeal to generations of readers and are equally embraced in both the secular and religious markets But it is her ability in her nonfiction to engage with the historical text of the Bible through a dynamic unpacking of protagonists antagonists and matters of faith that establishes the Genesis Trilogy as a highly treasured collection of spiritual writings *A Stone for a Pillow* acts as a compass for those traveling through the tumultuous landscape of faith in our cynical and divisive modern culture

The Awesome Journey David Adam, 2015-07-16 Drawing on a lifetime of Christian pilgrimage David Adam reflects on biblical encounters with the divine and offers profound insights on grief and glory emptiness and fulfilment repentance and forgiveness loving and being loved that will transform the way we live and the way we relate to God here and now For example God's question to Adam Where are you is relevant to us all Abraham's long journey of hearing and obeying and learning the art of having no agenda is ours too Jacob's great discovery that heaven is found on earth and earth is raised to heaven helps us become aware that we often already possess what we think we're searching for Moses' desert experiences of grief and glory encourage us that we journey forward to the Promised Land while Elijah's powerlessness reminds us that God often calls us out of darkness and weakness for we may need stillness to hear him Written by a best selling author and distinguished spiritual director with a proven track record Inspires in us through Bible passages story poetry and meditation a sense of awe for the journey we are on and the courage to live life in abundance The understanding that God is as pervasive and perceptible as the atmosphere in which we are bathed Teilhard de Chardin comes through in all David's writing and his confidence and delight in the nearness of God is surely one of the reasons his books are so popular
