Stone In Spains Shoe The Search For A Solution To The Problem Of Gibraltar:

The Dispute Over Gibraltar Melissa R. Jordine, 2009 Details the history behind the countries that have laid claim to and currently control the Gibraltar peninsula that acts as a gateway between the Mediterranean Sea and the Atlantic Ocean

Ibss: Political Science: 1994 British Library of Political and Economic Science at the London School of Economics, 1995-12-08 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences

ACIS ,1993 Encyclopedia Americana: Franco to Goethals ,2006 *Bibliographie Mensuelle. Partie I, Livres, Documents Officiels, Publications en Série* United Nations Library (Geneva, Switzerland), 1995 Die Rückgabe Gibraltars an Spanien Michael Hofer, 1996 eng Main goal of the effort was to find a useful solution for the return of Gibraltar to Spain which was ceded to Britain by the Treaty of Utrecht Starting from the international dispute over sovereignty and the applicability of the UN Declaration on Decolonization this seemed impossible because of the parties unchangeable opinions and the indifferent meaning of the word peoples the subject to the right of decolonization or self determination Hongkong is a similar problem but will be returned to China in 1997 on the basis of the Chinese concept of Unequal Treaties This concept did not find its way into the Convention on the Law of Treaties but a similar solution may be found by the article 52 coercion against a state Main problem is the non retroactivity of the Convention especially not until 1713 The use of force was not even a peremptory norm in these days The maintenance of aggression which the colonial situation in Gibraltar surely is contradicts the Convention s principles and the problem can thus be solved Final aspect is the problem of coercion against the state s representative King Philipp V who was forced to sign the Treaty of Utrecht This is to be solved by taking into account the provision of article 51 and the fact that the use or threat of force against a representative was a vitiating factor for the conclusion of treaties even in 1713 A Stone in Spain's Shoe Peter Gold, 1994-01-01 A detailed analysis of the attempt by Britain and Spain since 1980 to solve their dispute over the future of Gibraltar the last remaining colony in Europe Using Spanish as well as British sources the book examines the events which have taken place following the signing of the Lisbon Agreement **Index de Périodiques Canadiens** ,1998 The Spectator ,1838 A weekly review of politics literature theology and art The Spirit of Romance Dmitrey Merezhkovsky, 2024-03-25 Dmitrey Merezhkovsky a formidable historian and philosopher known best for his epic narratives from Russian history takes a romantic foray into the realm of life death love and all things in between
