The Stand Scott Burgess, Scott Burgess has crafted a most intriguing commentary on Revelation s Old Testament counterpart Readers will treasure *The Stand* Jesus in the Book of Daniel for its educational and devotional value It not only aids in deciphering mysteries and symbols but also encourages and promotes complete dedication to our Lord and Savior as it highlights the central theme of standing unsullied in the end time judgment The author upholds the traditional Adventist methodology of allowing Scripture to interpret itself and looking to history to confirm fulfilled prophecy With that said he also introduces a number of fresh insights He highlights fascinating linguistic and conceptual connections with other portions of Scripture that many of us have not identified before Those who pore over this tome will find a number of areas they readily agree with and other areas that will require prayerful reflection before forming a decision but nearly all will acknowledge Burgess skillful manner of provoking prayerful thought and contemplation What makes any book like this truly worthwhile is the presence of Christ Burgess stresses the ubiquity of His manifestation throughout the book as the One who rules the universe past present and future and as the One who empowers His people to withstand the fiercest opposition for the sake of faithfulness to Him and His commandments Jesus offers the same empowerment to us especially as imminent events parallel what the four Hebrews experienced This 2 500 plus year old document speaks to us today *Israelology - The Birthright, House of Israel, Kingdom, and Sons of God* Paul H. Andree, III, 2008-03-29 The Houses of Israel and Judah dominate the scriptures from the time of King David until they both were sent into captivity Each House had a destiny to fulfill These destinies are being worked out today What drives the destiny of these Houses The Birthright is a term that many in the Church are aware of but without an understanding of its presence throughout the scriptures It is manifested as the Dominion Mandate and the Fruitfulness Mandate through the Houses of Israel and Judah What are the implications for the

coming Kingdom of God and the Sons of God We cannot know or comprehend this answer unless we understand the many foundational scriptures and concepts that establish God s Heart and Plan for the last days This study will challenge each person to be teachable and open to another perspective of God s Plan for Redemption God will reveal His Plan for you and your place in His Coming Kingdom God is maturing His Believers to rule and reign with Him **Dispensational Truth, Or God's Plan and Purpose in the Ages** Clarence Larkin,2009-01-01 The Reverend Clarence Larkin was one of the most widely influential pop theologians of the early twentieth century his works are the source of many of the prophecies and truths end times Christians hold to even today This stupendous 1918 book perhaps his greatest work is the result of more than 30 years worth of the author informs us careful and patient study of the Prophetic Scriptures Fully illustrated by charts describing God s plan for humanity Dispensational Truth covers Pre Millennialism the Second Coming of Christ the present evil world the Satanic trinity the world s seven great crises prophetic chronology the threefold nature of man the Book of Revelation five fingers pointing to Christ the False Prophet and much more American Baptist pastor and author CLARENCE LARKIN 1850 1924 was born in Pennsylvania and later set up his ministry there He wrote extensively and popularly on a wide range of Biblical and theological matters **The Beast and Babylon** J.B. Whitelaw-Stevens,2017-07-06 The Beast and Babylon answers some age old questions about the two symbolic entities featured in the book of Revelation These symbols have historically been typified as a revived Roman Empire and its God opposing religious counterparts that rise up in Europe prior to the Second Coming of Jesus Christ In contrast this informative and timely study reveals that the latter day beast power rises out of not one but out of three defunct previous empires in the Middle East known via Daniels metaphors as the lion bear and leopard kingdoms It appears from Daniel 7 1112 that long after the last manifestation of the Roman Empire is destroyed these three dormant empires are revived for a season and a time During their rejuvenation they reappear in Revelation 13 and 17 in the form of a tripartite seven headed political religious beast power that emerges from the topographies of the ancient Grecian leopard Persian bear and Babylonian lion kingdoms Furthermore these combined territories encompass ten sovereign Islamic horn nations that were revealed after the Ottoman Empire was abolished ninety five years ago Today many of these Islamic nations contain embedded terrorist groups whose fanatical Jihadist leaders are determined to resurrect a radical pan Islamic Caliphate by which to establish Sharia law throughout the World To achieve these objectives the latter day nascent imperial beast power in conjunction with ten like minded insurgent leaders must initiate a global Jihad to incite war on the people of God and conspire to destroy a religious city called Mystery Babylon the Great
