Stone Roses Breaking Into Heaven The Rise And Fall:

Breaking Into Heaven: The Rise, Fall & Resurrection of The Stone Roses Mick Middles, 2012-07-23 In 1989 The Stone Roses exploded onto the music scene at the forefront of a new wave of music from Manchester The Roses music an exhilarating mixture of sixties pop rock and dance made them the UK's most talked about group while their first album *The Stone Roses* is now revered as one of the finest debuts of all time The band's flared trousers baggy t-shirts and floppy fringes were copied by a generation and their 1990 gig at Spike Island in front of 30 000 people became legendary Then with the world at their feet and a multi million dollar record contract signed the Stone Roses disappeared only to come back 15 years later even bigger and better Their story truly is one of resurrection

The Stone Roses Simon Spence, 2013-04-02 The Stone Roses captures the magic and chaos behind the UK band's rise fall and recent resurrection The iconic Brit pop band The Stone Roses became an overnight sensation when their 1989 eponymous album went double platinum It was a recording that is still often listed as one of the best albums ever made Its chiming guitar riffs anthemic melodies and Smiths like pop sensibility elevated The Stone Roses to a cult like status in the UK and put them on the map in the U S But theirs is a story of unfulfilled success their star imploded as their sophomore effort took years to complete and the band broke up acrimoniously in 1996 Sixteen years later they reunited and have been playing sold out gigs thrilling fans around the globe and working on new material In 2013 they nabbed the coveted headline spot at the Coachella Festival With one hundred interviews of key figures forty rare photographs and exclusive insider material including how they created their music *The Stone Roses* charts the band's rise from the backwaters of Manchester to becoming the stars of the Madchester scene to their successful comeback years later Going beyond the myths to depict a band that defined Brit pop Simon Spence illustrates their incandescent talent and jaw dropping success while contextualizing them in the 90s music scene This is the definitive story of The Stone Roses
