George Michael James Gavin,2022-06-28 In *George Michael A Life* Gavin s engrossing biography of the singer takes the measure of a gifted tragic and infuriating man New York Times Book Review George Michael was an extravagantly gifted openhearted soul singer whose work was both pained and smolderingly erotic He was a songwriter of true craft and substance and his music swept the world starting in the mid 1980s His fabricated image that of a hypermacho sex god loomed large in the pop culture of his day It also hid for a time the secret he fought against revealing Michael was gay Soon his obsession with fame would start to backfire As one of the industry s most privileged yet tortured men began to self destruct the press showed little sympathy *George Michael A Life* explores the compelling story of a superstar whose struggles as well as his songs continue to touch fans all over the world Acclaimed music biographer James Gavin traces Michael s metamorphosis from the shy and awkward Georgios Kyriacos Panayiotou into the swaggering dominant half of the leading British pop duo of the 1980s Wham He then details Michael s sensational solo career and its subsequent unraveling With deep analysis of the creative process behind Michael s albums tours and music videos as well as interviews with hundreds of his friends and colleagues *George Michael A Life* is a probing definitive portrait of a pop legend
