Stone Upon Stone Psalms Of Remembrance:

Stone Upon Stone Lonnell Johnson, 2005 Stone Upon Stone Psalms of Remembrance is a collection of poetry inspired by the Book of Psalms and other passages of Scripture This collection of seventy six poems is divided into four sections each of which contains an introductory scripture quotation or dedication In Seasons of the Soul the first section I express my appreciation for the beauty of Nature and comment on God's handiwork In the Vernacular contains a number of dialect poems revealing influences of Paul Laurence Dunbar but they are written in more contemporary black speech This section also features blues poetry another form of African American poetry offered from my spiritual perspective Golden Moments are reflective works inspired in part by a statement of Saint Augustine To contemplate the truth and to share the fruits of that contemplation The final section Psalms of Remembrance are recollections from childhood and beyond and songs of the celebration of the goodness of God May these poems that overflow from the depths of my heart inspire all those who read them May they resound with love joy and peace and reflect the manifold wisdom of God **Stones of Remembrance** Liz Dunsdon, 2017-05-26 There is a bell that hangs on the wall in the chemo room Patients get to ring this bell when all their rounds of chemo are completed They ring the bell with such glee and joy Chemo is finished and life can carry on I hate that bell I know that sounds foolish but I really really really hate that bell The doctors told me the second time my breast cancer returned that it had metastasized to my bones and lymph system and so it was incurable I will never get to ring it unless God chooses to do a miracle Instead I sit in the chemo room and stare at the bell and smile when others ring it Some days I want to take the bell and throw it out the closest window and other times it takes all I have to not go up and ring it and ring it some more I am not sure if I would be ringing it in hope or defiance Such foolishness but I hate hearing that bell ring I smile cheer and clap when someone else rings the bell but inside I hurt The bell makes me angry and I sit and ask God why Why not me Why I am sure that everyone can relate to something in their life they have wanted to do so badly but cant It may be a foolish desire but it is part of who we are Stones of Remembrance Lois Evans, 2006-10-01 When times get difficult and they will we all have a choice We can either dwell on the crashing waves or turn our focus to the solid rock on which we stand In this bedrock book of faith and assurance Lois Evans draws the reader's attention to those points in life when God has shown His enduring faithfulness creating memory stones that will serve as a lifelong anchor of hope amid the rushing floodwaters of life Stones of Remembrance in the Garden of Our Lives: One Family's Experiences of the Faithfulness of God Herb Purnell, Elsie Purnell, 2022-07-20 Memories can grow dim and become lost over time Through his prophets and apostles God called on his people to remember his works and not let their memories of his faithfulness fade away This book is one family s account of God s faithfulness in their lives from childhood to advanced age through joy and deep grief blessing and rejection while living with the challenges of ordinary life in the U S and in Thailand It gives chronological examples of God's faithfulness that show how his continuing care and faithfulness strengthened their faith even in the darkest valleys

short tale then a play But the story wasn t finished it never is when the house hasn t spoken all it means to say What came instead was An T ocras The Hunger A hunger older than fire than names than even the land s forgetting Inside this house time forgets how to behave You ll meet a minstrel who traded voice for eternity a woman walled behind weeping stones and children the bog still whispers about No easy heroes here Just people half broken half hoping trying not to vanish I didn t write this book so much as I followed it Sat with it through long nights heard its silence its grief And when it spoke I listened You can t force a tale like this You borrow it from the earth from the ones who came before and if you do it right you give it back with a little more light It s not a tidy story The lines blur The endings fray But if you ve ever stood on wet ground and felt something stir below or heard your own name echo in a place it shouldn t you ll understand This is for the ones who remember what they shouldn t and carry it anyway So go on Step through the door But mind yourself some houses once entered don t let you leave unchanged
