Stonehenge Russell A. Herner, 1984 *The Secret Teachings of the Masonic Lodge* John Ankerberg, John Weldon, 1990-04-08 Is Masonry nothing more than a harmless brotherhood a club for men Or is there more behind the camaraderie This in depth book probes the secret teachings and oaths revealing how Masonry conflicts with the very foundations of Christianity **Sacred Sites of the Knights Templar (Nipb)** , All across the continent of Europe massive stone monuments erected by a prehistoric culture can be found These megalithic stones resisting centuries of weathering or assaults by modern men are all that remain of a society that has been erased by time Stonehenge is the most familiar of these megalithic monuments but in fact represents only one of many similar sites Who were the people who built these monuments Why were these stones significant to them Sacred Sites of the Knights Templar examines sacred megalithic sites across the globe such as Stonehenge and Rennes le Chateau revealing the astronomical significance of these sites as well as the secrets that significance bore to the Knights Templar This revolutionary book offers a new explanation for two main subjects The distribution and meaning of the megalithic monuments of Europe which were constructed to commemorate astronomical events Evidence for a continuing and hidden philosophy based on ancient astronomy maintained in secret by the Knights Templar and in turn by the Freemasons The author offers theories regarding these sites their meanings their secrets their lasting impression on the Western World and their sacred symbolic influences on Freemasonry throughout history

Zech, 2013-04-17 *Blake's 'Jerusalem' As Visionary Theatre* Susanne M. Sklar, 2011-10-20 Susanne Sklar engages with the interpretive challenges of William Blake's illuminated epic poem Jerusalem by considering it as a piece of visionary theatre an imaginative performance in which characters settings and imagery are not confined by mundane space and time allowing readers to find coherence within its complexities **The Freemason and Masonic**

Christopher Knight, Alan Butler, 2014-04-08 THE MOST COMPREHENSIVE AND COMPELLING BOOK EVER WRITTEN ABOUT THE SECRET SOCIETY THAT SHAPED THE MODERN WORLD Freemasonry with its arcane rituals occult symbols and labyrinthine hierarchy has mystified the outside world for centuries But it has become apparent that even the most senior Freemasons do not understand its ancient origins or purpose So what is this powerful and arcane organization really for In this eye opening account two seasoned researchers show that today's Freemasons are the spiritual descendants of an ancient priesthood that was forced to act in secrecy They predicted the birth of the coming Messiah and Jesus Christ was part of their mission Soon after the Crucifixion they were nearly wiped out by a program of mass genocide conducted by the Romans later in feudal Europe they grew to a position of unparalleled power before being branded as heretics and forced

underground But they could not be stopped and they continued to work in subtle sometimes subversive always anonymous ways to pursue their objective a new world order that put God above and yet out of human affairs *Masonic Voice and Review* ,1929 *Secrets of the Stones* John Michell,1989-11 From the temples of Egypt to the stone circles of Britain Michell traces the development of the science of astro archaeology **The Strolling Astronomer** ,1985 **The Truth about Masons** Robert A. Morey,1993 Is the Masonic Lodge a Christian fraternity or a cultic organization Can one be a Christian and a Mason These questions are generating conflict throughout the evangelical church and fueling a growing civil war within Masonry itself Stepping back from the controversy noted researcher Morey presents historical documentation that answers these and other important questions Scottish Rite News Bureau ,1928 Light ,1897 The Freemason's Chronicle ,1875 **Archaeology** ,1984 *Solomon's Power Brokers* Christopher Knight,Alan Butler,2007 Is Freemasonry nothing more than a benign and charitable men s social club as the Order insists or does it have a deeper and perhaps darker purpose Could these men be part of the Illuminati a group of intellectuals with extremely grand plans for the development of civilization And if so what is the grand plan that these men were so determined to bring about and why should there be such opposition to it Christopher Knight and Alan Butler reveal that present day freemasons are the spiritual descendents of an ancient priesthood that was forced to act in secrecy In the early days of Christianity their views offended and opposed those of the orthodox Church and later in feudal Europe both the State and the established Church considered them heretics and sworn enemies Yet they could not be silenced or defeated and members of this priesthood have continued to this day to work in subtle and sometimes subversive ways to achieve their aims often occupying very elevated positions within Western society and always maintaining complete anonymity to those outside their fellowship The extraordinary story that unfolds in Solomon s Power Brokers reveals that the building of the modern world was no haphazard process There was a grand plan and it has succeeded The New World Order is already here *The Freemasons' Magazine and Masonic Mirror* ,1859 *Proceedings of the Grand Lodge Ancient Free and Accepted Masons, of the State of Nebraska, at the ...
