Stones Dont Float Poems Selected And New:

Stones Don't Float John Haag,1996 John Haag s career spans more than forty years and his poetry is so unusual and so sure of itself in the seemingly effortless way it marries serious music and original thought that the reader searches in vain for signs that Haag has been influenced by the various fashions and trends that have breezed through American writing from Central and South America and Europe since the 1950s A former student and friend of James Wright a former merchant seaman and now an orchidist a mycologist and a professor of writing John Haag is a singer of songs about the natural world that his hearers can believe to be true so deep and wide is the experience and the heart out of which they come His poems are his travels his travels his poems Haag s timely and timeless accounts of the lands and seas he explores are nothing less than a careful cataloging of the limitless varieties of human love and longing BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Poetry* Harriet Monroe,1998 **Stone Sky Lifting** Lia Purpura,2000 Stone Sky Lifting is a study in states of extremity portraying violence at one end of the spectrum and unbidden solace at the other Focusing on transforming events Purpura depicts the spiritual dislocation that can result from abiding scrutiny With a metaphysical sensibility Purpura moves between our world s abundance and its mysterious stillness in her subject matter Over the course of the book a shaken vision emerges one of trespass both worldly and spiritual and of repair The poems in this collection don t seek resolve rather they make space for paradox to root Silences become revelations in Purpura s poems

Arabic form of poetry has become popular among contemporary English language poets But like the haiku before it the ghazal has been widely misunderstood and thus most English ghazals have been far from the mark in both letter and spirit This anthology brings together ghazals by a rich gathering of 107 poets including Diane Ackerman John Hollander W S Merwin William Matthews Paul Muldoon Ellen Bryant Voigt and many others As this dazzling collection shows the intricate and self reflexive ghazal brings the writer a unique set of challenges and opportunities Agha Shahid Ali s lively introduction gives a brief history of the ghazal and instructions on how to compose one in English An elegant afterword by Sarah Suleri Goodyear elucidates the larger issues of cultural translation and authenticity inherent in writing in a borrowed form
