authorities they found out the difficulties of fighting city hall when the local power came to the aid and assistance of their county crony even in the face of proven and documented lies The common refrain used as their excuse for lies and deceit was Y all aren t from around here are you This bigotry and clannish attitude was brought to full force against our little family whose only desire was to be left alone on their own land When the neighbors couldn t steal the part of the land they were after they tried to take everything Using their friends in county authority and the local judiciary they brought the fight of our young heroes lives Does the young family survive Can they win against the local establishment and seemingly insurmountable odds What do you do when your neighbors are the Neighbors From Hell What do you do when the Neighbors From Hell have friends in high places What do you do when they threaten your home your livelihood and your family Everyone knows fighting city hall can be a pointless fight rarely won But what do you do when city hall brings the fight to you Sometimes you have to stand and fight *Music City Murder: A Country & Western Cozy Mystery* Brittany E.
