## **Stop Lying In The Name Of God:**

*Stop Lying in the Name of God* Ed Smith, 2005-06-02 This book is primarily about those men in power who will stop at nothing to control the minds of the masses by invoking the name of God to achieve their overall objective The acquisition of more power and wealth We must protect our children and families from those men who will invoke the name of God while committing their evil and licentious deeds Over the years and throughout history more crimes and atrocities have been committed in the name of God than from any other source This book is not about bashing God nor is it blasphemous but rather about men in our society who will use the name of God in an attempt to hide or conceal their evil deeds What is happening with our children and the churches After reading this book you will have a better mindset and the courage and resolve to better protect yourself and your family We can no longer stand idly by while men interpret the bible for us We must begin to use our own minds and intellect when it comes to spiritual decisions A man is just that man Men have and will continue to trick and deceive the masses for their own personal gain Something is going wrong in this country and we better stop and try to fix it Why should we allow government officials to throw God into our daily lives when in fact you have some elderly folks in this country who can't afford to live Something is wrong when we have religious folks purporting to have talked with God Remember Judas I am told the devil is the master of deception so whenever I hear of someone talking to God I truly hope that it really wasn't the devil

Kirk Sykes, 2022-11-22 There is power in prayer Moses prayed and the sea parted because he believed God and he believed in the power of prayer Jesus prayed and five loaves of bread and two fish multiplied to feed 5 000 men If you include women and children that number could have easily exceeded 15 000 people That is God's Power In My Prayers and God's Power author L Kirk Sykes shares how he believes in the power of prayer and insists many Christians have neglected their prayer life He communicates that to be successful in your Christian walk you need to know how to talk to God through prayer The way you talk to God determines how He responds to you and how much He blesses you In this insightful book Bishop Sykes discusses the importance of prayer and provides insight on how to talk to God to receive godly results He delivers the message that your prayers and God's power will make a difference in your life and in the world
