

"Come on, let's keep it up a while, this is a bit boring, I want some excitement, I say, whenever I lose the game, you're not a real gamer and we gotta lose. This is gonna be interesting, I can't wait," said Ren with an excited smile.

Ten played back as far as anticipating some sort of trick or trap, he was always one for planning out things like that, he always got his with something.

"Better not lose!" Ren cheered, Ten's face becoming flush as he focused on the screen intently.

A couple minutes pass by and Ten knew, "High, how the hell did I lose?" Ten said frustrated.

"Well, the winner is clear, the loser must not a real gamer?" Ren replied with a smirk on his face.

Ten sighed in defeat and reached over to grab a gaming card and popped it into his mouth, waiting for the screen to let him. After about 1 second passed, he felt no reaction, and then about 10 seconds passed, and then the screen let him hear.

"Oh my god, it's so cool!" Ten yelled, his voice a pitch higher than usual, he started making it over Ten, he started leaning up.

"Oh wow, this is great, you look fantastic," Ren said laughing.

"Didn't see you trying one, all guess you're a bit of a wuss huh?" Ten teased back, but Ren shook his head.

"Well now, I don't want to get into the whole real gaming thing, I don't really like the whole thing that much, besides, I'm enjoying watching you suffer," Ren replied with a smirk.

"Well, didn't you lose," Ten responded.

Ten continued to eat his real gaming, still making a face. Then, after about a minute of suffering, he suddenly felt his whole body tingle. He felt a strange sensation all over his body, it wasn't a bad sensation, just strange.

Ten passed the game and stood up, feeling a bit light-headed.

"Hey, you alright?" Ten is looking a bit flushed," Ren said.

"Oh yeah, thank me," Ten replied.

Ten felt a bit dizzy and sat down, putting his hands on his forehead. He was sweating a bit, and his heart was pounding.

"Babe, are you sure?" Ten is not looking too good," Ren said, concerned.

"It's fine, I've passed into the next one and I'm going to make you regret ever suggesting the idea of the game!"

"Alright, if you're sure," Ren responded, shrugging.

"Yeah," Ten replied, a confident look on his face.

Ren started the game up, and Ten began to feel the same strange sensation he had earlier. He shook his head, trying to focus.

He started playing, trying to beat Ren to lose, but it was proving to be a challenge. He was starting to sweat a bit, and his body was starting to tingle. Ten was making faces, trying to ignore the sensation in his body. He was determined not to let Ren beat him.

"Wow, you're really struggling there, are? Having a hard time focusing?" Ren asked.

"No, not at all, I'm just aware that I do, I could've easily killed your ass, no problem," Ten replied.

"Yeah right, you looked like you were struggling, and I was kicking your butt," Ren said smugly.

"Whatever," Ten said, shaking his head.

"Come on, it's okay, I won't tell anyone, if I see this screen," Ren said, trying to cheer him up.

"Yes," Ten replied, "I guess I have to take another gaming, but real game, I've passed kid your ass."

"You say so," Ren said with a shrug.

Ten grabbed another gaming, popping it in his mouth. The sensation was hitting his head, and his body was getting hotter. Ten's hands were shaking as he tried to hold onto the controller.

"You're a real loser, aren't you? Don't stand to lose, I've seen you I beat me real time," Ren said smugly.

"Yes, I will with I want to lose," Ten replied, determined.

Ten tried to focus, but his body was feeling really weird. He was having trouble concentrating, and his vision was starting to blur. His body was feeling hot, and his clothes were starting to feel uncomfortable. He felt uneasy, and he was having a hard time sitting still.

Ten was sweating heavily, and his hands were shaking. He was losing the game, and he was getting frustrated.

"What's the matter, can't keep up?" Ren asked teasingly.

"It's fine," Ten replied, trying to sound confident.

"Yeah, right, you're losing and you know it, just admit it, you're not as good as you think you are. You're not the best," Ren said smugly.

"Then you gonna be a dick about it, go ahead, but when you lose, you're gonna feel real stupid," Ten said.

"Yeah, right," Ren laughed, rolling his eyes.

Ten and Ren continued to play, with Ren easily winning.

"I don't think I can stomach another one Ren, Please, can we be this game?"

"No, you agreed, you have to take it and then we can stop."

"Right," Ten grunted, grabbing the game and shoving it in his mouth. He wanted, nothing happened, no real pain, just a strange sensation.

"Oh wow, you actually did it," Ren said, looking shocked.

"Well, yeah, it's not easy, Oh well," Ten said, shrugging.

Suddenly, Ten's body began to feel tingly. His clothes felt tight and uncomfortable, and his skin was starting to tingle. A wave of pleasure moved through him, causing him to gasp.

"What's wrong, what's happening?" Ren asked, looking concerned.

Ten's body was changing. His hair grew longer and started to flow down his back. His lips and thighs became more pronounced, and his chest swelled. His body was becoming softer and more feminine.

"U... I don't know what's happening. My body feels weird, and I'm starting to sweat a bit," Ten replied.

"Are you still so something?" Ren asked, confused.

"No, I feel fine, I just feel... different," Ten said.

Ten's body was changing. His skin became smoother and softer. His hair became thicker and longer, and his nails grew longer and pointed. His face became more delicate, his jawline softened, and his cheeks became rounder and more pronounced.

"I think I'm changing I... want you Ren," Ten said, his voice soft and breathy.

Ten's body continued to change. His voice getting higher and his body becoming more feminine. His clothes became tighter and more restrictive. His nipples only more, his arms were stuck to his chest and his pants were cutting off his circulation. Before he could think, he tremors shot up his legs becoming a shirt and his shirt loosened again into a blouse.

"Oh god, this is... really Ren, I want you, Ren, I want you," Ten said.

Ren stood there stunned.

"U... I don't know how to explain it, I just, I want you, so bad," Ten said, his voice desperate.
