Anchor of My Heart Derrick Nearing, 2017-10-18 This book of short stories offers the readers a window into the life of the author as a young boy growing up in New Waterford, Cape Breton, in the 1960s. Focused on simple encounters with family, friends, and those who came into his life, the stories show how seemingly unimportant daily interactions shaped and prepared him for future aspects of his life. *Anchor of My Heart* is a nostalgic reminder of the importance of simpler days, which are often not fully appreciated at the time. For the author, the metaphor of an anchor represents the hope that sprouted from his youth and the moral guidance it has provided him during his adult years, sometimes in places very far from Cape Breton Island. It is a tribute to the earliest memories of those who came into the author's life throughout his childhood and who helped form his world view.
