Cooking with Grease Donna Brazile, 2012-09-04 Cooking with Grease is a powerful behind the scenes memoir of the life and times of a tenacious political organizer and the first African American woman to head a major presidential campaign Donna Brazile fought her first political fight at age nine campaigning successfully for a city council candidate who promised a playground in her neighborhood The day after Martin Luther King Jr was assassinated she

committed her heart and her future to political and social activism By the 2000 presidential election Brazile had become a major player in American political history and she remains one of the most outspoken and forceful political activists of our day Donna grew up one of nine children in a working poor family in New Orleans a place where talking politics comes as naturally as stirring a pot of seafood gumbo and where the two often go hand in hand Growing up Donna learned how to cook from watching her mother Jean stir the pots in their family kitchen She inherited her love of reading and politics from her grandmother Frances Her brothers Teddy Man and Chet worked as foot soldiers in her early business schemes and voter registration efforts Cooking with Grease follows Donna s rise to greater and greater political and personal accomplishments lobbying for student financial aide organizing demonstrations to make Martin Luther King Jr s birthday a national holiday and working on the Jesse Jackson Dick Gephardt Michael Dukakis and Bill Clinton presidential campaigns But each new career success came with its own kind of heartache especially in her greatest challenge leading Al Gore s 2000 campaign making her the first African American to lead a major presidential campaign Cooking with Grease is an intimate account of Donna s thirty years in politics Her stories of the leaders and activists who have helped shape America s future are both inspiring and memorable Donna s witty style and innovative political strategies have garnered her the respect and admiration of colleagues and adversaries alike she is as comfortable trading quips with J C Watts as she is with her Democratic colleagues Her story is as warm and nourishing as a bowl of Brazile family gumbo

The Foreign Policy Disconnect Benjamin I. Page, Marshall M. Bouton, 2008-09-15 With world affairs so troubled what kind of foreign policy should the United States pursue Benjamin Page and Marshall Bouton look for answers in a surprising place among the American people Drawing on a series of national surveys conducted between 1974 and 2004 Page and Bouton reveal that contrary to conventional wisdom Americans generally hold durable coherent and sensible opinions about foreign policy Nonetheless their opinions often stand in opposition to those of policymakers usually because of different interests and values rather than superior wisdom among the elite The Foreign Policy Disconnect argues that these gaps between leaders and the public are harmful and that by using public opinion as a guideline policymakers could craft a more effective sustainable and democratic foreign policy Page and Bouton support this argument by painting a uniquely comprehensive portrait of the military diplomatic and economic foreign policies Americans favor They show for example that protecting American jobs is just as important to the public as security from attack a goal the current administration seems to pursue single mindedly And contrary to some officials unilateral tendencies the public consistently and overwhelmingly favors cooperative multilateral policy and participation in international treaties Moreover Americans foreign policy opinions are seldom divided along the usual lines majorities of virtually all social ideological and partisan groups seek a policy that

pursues the goals of security and justice through cooperative means Written in a clear and engaging style The Foreign Policy Disconnect calls in an original voice for a more democratic approach to creating such a policy Family Separation and the U.S.-Mexico Border Crisis Laurie Collier Hillstrom,2020-07-23 This volume provides an authoritative evenhanded overview of the Trump administration s family separation and child detention policies at the U S Mexico border and the impact of those policies and actions on children their parents border security and U S politics The 21st Century Turning Points series is a one stop resource for understanding the people and events changing America today Each volume provides readers with a clear authoritative and unbiased understanding of a single issue or event that is driving national debate about our nation s leaders institutions values and priorities This particular volume is devoted to the issue of child migrant detention on the U S Mexico border It provides background information on the political social and economic forces driving undocumented immigration into America explains the policies and records of both the Obama and Trump administrations on immigration deportation and border security summarizes current laws and regulations governing U S border and immigration policies recounts President Trump s rhetoric and record on both legal and illegal immigration including his promise to build a Border Wall with funds from Mexico surveys living conditions in the border detention centers operated by U S authorities and discusses the impact of detention and family separation on children taken into custody *Digital Democracy: Concepts, Methodologies, Tools, and Applications* Management Association, Information Resources,2012-06-30 This book presents a vital compendium of research detailing the latest case studies architectures frameworks methodologies and research on Digital Democracy Provided by publisher **The Federal Cases** ,1896
