Stop Pretending:

A Country Girl's Dreams Yvonne Williams, 2019-05-10 This book of poems is for all who knows how to shed tears It will take you back to cherished memories of lost loves while sitting by the sea or that instantaneous place of peace that dwells within oneself as you sit on an old wooden rocking chair The words of joy comfort sorrow and anger are unleashed through the eyes and thoughts of a country girl s feelings and dreams in her poems *Pretending* Angela Beausejour, 2011-02 You can t pretend forever Alicia has been pretending for a long time She pretends that her marriage isn t in trouble She pretends she s okay with the nights alone and that she doesn t notice the growing distance between her and her husband She pretends he s telling the truth But pretending is a lot more difficult when Antonio Jamieson comes back into her life He s the man she has claimed is nothing more than a friend He s the man she has claimed she has no romantic past with And she really believes that but no else does not even her husband As others try to open her eyes to the truth about her feelings for Antonio Alicia begins to open her eyes to the truth about her relationship with Patrick Maybe things aren t okay after all Maybe things need to change Could it be time to stop Pretending But what will happen if she stops pretending Can she handle the truth Can she handle the pain that s bound to come when everything is revealed When the truth comes out everything is going to change in Alicia s world Her friends have their own truths to deal with so there s really only person she can turn to Antonio Could true happiness be hers or will she continue to pretend there s nothing between them Will there be an end to her constant Pretending **Soulzer** P.I. The Emotional Dynamics of Law and Legal Discourse Heather Conway, John Stannard, 2016-12-15 In his seminal work Emotional Intelligence Daniel Goleman suggests that the common view of human intelligence is far too narrow and that emotions play a much greater role in thought decision making and individual success than is commonly acknowledged The importance of emotion to human experience cannot be denied yet the relationship between law and emotion is one that has largely been ignored until recent years However the last two decades have seen a rapidly expanding interest among scholars of all disciplines into the way in which law and the emotions interact including the law s response to emotion and the extent to which emotions pervade the practice of the law In The Emotional Dynamics of Law and Legal Discourse a group of leading scholars from both sides of the Atlantic explore these issues across key areas of private law public law criminal justice and dispute resolution illustrating how emotion infuses all areas of legal thought The collection argues for a more positive view of the role of emotion in the context of legal discourse and demonstrates ways in which the law could in the words of Goleman become more emotionally intelligent
