Stop The World:

The World's First Inter-Planetary Truck Stop. The IPT Cristal Rider, John Moore, 2025-03-10 NEW EDIT New take on alien life Family oriented story Loveable characters and meaningful growth When Peter first drafted his idea for the World's First Inter Planetary Truck Stop The IPT was meant to be a gimmick a way to generate more business for his remote Gas Station A way to get noticed in his little patch of nowhere in rural Taxis Although he hadn't realized it he met the criteria for a galactic way station This invites his first guest though this being is not looking for trade or fuel she is looking for a safe harbour The clone warrior the Rogue Erude Aszure Sil and tna she and the most wanted being in the known universe Made as the ultimate weapon against the unbeatable foe of the Everwar No Erude clone is ever to engage with galactic life as they are tools and nothing more Though this clone one of billions seeks what all females seek a chance to reproduce without understanding the desire herself it becomes her singular driving force Arriving on Earth known to her as Terra sol she finds not only a harbour but an unwitting primitive to manipulate into mating Though it soon becomes clear that her mate is special offering her more for her life than she ever imagined They soon have an offspring and attempt to navigate life together As time passes their way station draws a lot of attention from the rest of the Bi stream Galactic Collective being the only fringe band way station in the galaxy and the furthest known collective world Peter the human male who always kept to himself and Sally also known as Sil and tna she the clone warrior who had to learn life from scratch began to feel overwhelmed until they followed a distress call into an uncharted nebula and disappeared from this space Meanwhile Sally's battle assistant Ai who has been left in charge of the IPT tracks the loss of its master and her mate Without knowing when or if they'll return they face the care of their master's small offspring and the operation of the IPT Realising it must grow to accommodate its new task it finds itself woefully unequipped Saved by Peter's long time employee Linda who at first seems to meet her new role well until she learns the truth Now faced with a galaxy bigger than she can imagine and a hybrid being who may look like a little girl and is the most gifted being in the galaxy but is still the daughter of the Erude Worrier Sil and tna she meaning her care requires some creative reasoning testing her both physically and mentally Follow the stories of the IPT and those who dwell within Follow the beginnings of the IPT universe and the birth of the human way station which will change the course of galactic life

The World's First Inter-Planetary Truck Stop. The IPT. Book 2. Integration. John Moore, 2025-09-22 In a universe teeming with predatory life my story explores a more realistic portrayal of what advanced alien civilizations might truly look like and how they might interact with us At the heart of this tale is the ongoing clash between predators and prey plant eaters versus those who survive by consuming other beings The story kicks off with the encounter between Peter a human man and Sil and tna she a rogue clone warrior and the galaxy's most wanted not for crimes but for seeking her own freedom Her relentless pursuit for independence sets her on a collision course with those who hunt her leading her to find Peter and ultimately us This opening chapter introduces a sprawling galactic space opera focusing initially on the early years

of the IPT the characters journeys and pivotal moments like the birth of Peter and Sil ard s daughter and the awakening of her battle AI Meanwhile Linda Peter s trusted employee uncovers shocking truths about her boss and his mysterious new wife setting the stage for an epic adventure of rebellion self discovery and the fight for autonomy **The World's Work**,1924 **The Best Lover for Peace in the World** Dr. Badal Kariye,2015-10-14 The Best Lover for Peace in the World Why the United Nations violates its Charters Please You Better Know your Human Rights published on October 14 2015 in USA

gave to the author because the author asked the Planet Earth for the book of the world The author is a human being who lost faith in God and called on Planet Earth to do work and save human beings from evil and death in the world This is a book of a human being who was challenged by evil and death in the world and the human being called on his existence for help and protection The author did not like to die in the world and told his existence that he did not want to die because the author believed that Planet Earth has the power to save human beings in the world The Existence is the faith the hope and the charity that God challenged human beings to find and tell the mountain of evil and death to move away from human beings
