Stop Your Driv Crazy:

Breaking The Worry Habit - Stop Your Anxious Thoughts And Start Living! Kelly Wallace,2020-12-10 No one likes the way constant worrying makes them feel so why is it so difficult to stop Because the mind has a tricky way of making us believe that there are positive reasons to worry On some level we believe that it will help us avoid bad things prepare us for the worst or help us come up with a solution Of course none of this happens though Instead we just feel more stressed and unable to think clearly take action or let it go For decades I was stuck in a worry habit Finally I was so tired of living in a state of anxious limbo all the time that I went to work at taming my worry beast It wasn't easy or instantaneous but the rewards were well worth the effort I feel happier and freer than ever It's like taking a much needed deep breath after being buried under a one ton weight for far too long Rather than letting your anxious thoughts spiral out of control and have them running and ruining your life it's best to face them now and start doing something to minimize or even completely eliminate it In this book I want to share some of the things I experienced the tips and exercises that helped me and many of my clients and offer some heartfelt guidance I'll show you how I finally learned to stop my anxious thoughts and start living again I want that for you too
