Storey Plays One:

Storey Plays: 1 David Storey, 2016-11-17 David Storey is a writer who genuinely extends the territory of drama Guardian The Contractor A subtle and poetic parable about the nature and joy of skilled work the meaning of community and the effect of its loss Observer Home about the solitude and dislocation of madness and the decline of Britain itself part of the play's appeal is that Storey leaves it to us to draw our own conclusions a play that contains within itself the still sad music of humanity Guardian Stages an elegy for lost times and places an obituary that has been free associated by the corpse to be Storey once said that a play lives almost in the measure that it escapes and refuses definition He has always been a writer who hints rather than states let alone hectors The Times Caring a companion piece to Stages reflects a reassessment and renegotiation of the conflict between life and art *Frayn Plays: 1* Michael Frayn, 2017-01-12 One of theatre's subtlest most sophisticated minds The Times Alphabetical Order A comic essay about two types of woman a very intelligent comedy because of its classic simplicity and unusual in the way that the two types of women do not become stereotypes Daily Telegraph Donkeys Years a satire on the establishment and British Institutions Gorgeous farce all the funnier for emerging from credible aspirations and natural anxieties the play is richer and cannier than we expect farces to be New Statesman Clouds is a satire on government sponsored trips and a portrait of sexual jealousy it is poignantly and unerringly funny Guardian Make and Break is a satirical commentary on British corporate interests abroad Full of pain ruthless observation and a sense of humour which is sardonic lunatic and warm Sunday Times Noises Off the West End hit play about a company of actors stepping from a sex farce into their own nightmarish lives backstage A very intelligent joke about the fragility of all forms of drama a pulverisingly funny play Guardian All of these plays are attempts to show something of the world not to change it or to promote any particular idea of it That's not to say there are no ideas in them In fact what they are all about in one way or another is the way in which we impose our ideas upon the world around us it might be objected that one single theme is a somewhat sparse provision to sustain five separate and dissimilar plays I can only say that it is a theme which has occupied philosophers for over two thousand years and one which is likely to occupy them for at least two thousand more Michael Frayn Story Plays Louise C. Wright, 1923 **British Playwrights, 1956-1995** William W. Demastes, 1996-10-23 The year 1956 marked a point when British drama and theater fell into the hands of a group of young playwrights who revolutionized the stage During that time playwrights such as Samuel Beckett and Harold Pinter made the British theater as rich varied and vital as any national theater in history This reference chronicles the history of British theater from 1956 to 1995 by providing detailed information about the playwrights of that period Included are entries for some three dozen British playwrights active between 1956 and 1995 Entries are arranged alphabetically to facilitate use Each entry supplies biographical information the production history for particular plays a survey of the playwright's critical reception an assessment of the dramatist's work and primary and secondary bibliographies A selected general bibliography at the end of
