Board of Sunday Schools, 1908      The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The

reader receives insights into the movement's narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world. The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism. **International Journal of Religious Education**, 1924

**In the Way of the Story** Huw Thomas, 2021-12-08. You'll be doing all the work. You'll be picking apart plots, analyzing characters, exploring the setting of biblical narratives, and engaging with narrative levels and reader response theory. And you'll be doing all the work. This is a book about you, the reader. Drawing on narrative theory, this book places readers in the way of the story, reading biblical narrative through fresh eyes. Using entertaining explanations of literary theory, it liberates readers to read their own chosen Bible stories with a fresh understanding of how narratives work. Practical activities will inspire the reader to develop their own understanding of stories, and in doing so, this book tackles hallowed and authoritarian interpretations that can sometimes get in the way of the story. This is a book of clear explanation and practical application.
