The active form of Phajpa Chanyang is called Ushcher Wangchuk, or in Sanskrit, Maha-deva meaning the great deity. He is very powerful from having misdeeds, complete compassion. Because we wrong him here in Nepal, people know, like, and want to help our loved country. Both Hindus and Buddhists know this deity.

About Jomolungma Mt. Everest

Here is the highest mountain in the world. I could see Jomolungma from Tibet and from near Dehra-dun in India. The Sans, Chanyang Lamyig, says Jomolungma is here in Chumbi.

Jomolungma is the name of the mountain. Jomo Myo Lang Sangma is the name of the Buddhist female deity. She is a mother goddess and one of the five infants of King Ma.

According to a religious story, father Lobsa Tse and mother Marthang had five daughters. Tse Tsangma resides on Gaur Sharab and gives long life, Jomo Myo Lang Sangma gives food, Tse Dawaema gives wonderful good fortune, Chopa Chanyang gives wealth, and Tsung Chanyang gives helpful powers.

Traditionally, Jomo Myo Lang Sangma is a deity of farmers, so many pilgrims used to go to Hongshi to see her. Hindu, people, from all over the world, come to see the statue of Jomo Myo Lang Sangma.

Jomo Myo Lang Sangma

Jomolungma, called Mount Everest and Sagarmatha from Chumbi.

Jomo Myo Lang Sangma this is a red figure. The goddess is very pretty; she is orange and bright looking. She wears a garland of many kinds of flowers around her head and robes of many colors. In Jomo Myo Lang Sangma's right hand is a long bowl of food and in her left a morgania that soft wealth.

About Khumbu-Yul-Lha, the Guardian Deity

The name Chumbi comes from Chumbi Tse Gatsa, the guardian deity of the Chumbi valley. The name Chumbi is short for Khumbu-Yul-Lha, which translates as Chumbi county-deity. Chumbi protects the people, religion, and land of the Chumbi. He is one of the twenty-one deities in Tibet that Gutsi Rongpoche advised and converted. His mountain home, Chumbi is above Chumbi and Gutsi Rongpoche describes this mountain in his book Chanyang Lamyig.

Chumbi's father is Tse Pawaema and mother is Lho Marthang Chanyang. Chumbi and Marthang Gatsa was among his father's students. The deity residing on Tsewaka, Tsewema, is Chumbi's wife.

The Sherpas and Their Original Identity Serku Sherpa,Yana Wengel,2023-04-11 This book offers a cultural and historical perspective on the Sherpa people exploring how their traditional way of life has been impacted by such factors as urbanisation modernisation globalisation and tourism Though Nepal is a small country it is rich in ethnic religious linguistic and cultural resources Various communities living in Nepal including the Sherpas have their own original cultures traditions and practices Despite outside influence the Sherpa people have preserved their distinct lifestyle which encompasses a unique history culture religion language cuisine and set of traditions It was only after the summit of Everest in 1953 that domestic and foreign scholars began to take an interest in documenting the Sherpa people s way of life The Sherpa s language is an oral one and with this comes difficulties Various translations into other languages have caused mistranslations and a loss of meaning Written by a Sherpa this book seeks to overcome these linguistic barriers and bring Sherpa culture to the reader Serving as a collection of knowledge from distinguished scholars of the Sherpa community religious leaders intellectuals social workers and community organisations this book is a unique auto ethnographic work which bridges the gap between researchers speaking other languages and Sherpa people Tigers of the Snow and Other Virtual Sherpas Vincanne Adams,2014-05-06 Sherpas are portrayed by Westerners as heroic mountain guides or tigers of the snow as Buddhist adepts and as a people in touch with intimate ways of life that seem no longer available in the Western world In this book Vincanne Adams explores how attempts to characterize an authentic Sherpa are complicated by Western fascination with Sherpas and by the Sherpas desires to live up to Western portrayals of them Noting that diplomatic aides at world summit meetings go by the name Sherpa as do a van in the U K built for rough terrain and a software product from Silicon Valley Adams examines the authenticating effects of this mobile signifier on a community of Himalayan Sherpas who live at the base of Mount Everest Nepal and its deauthenticating effects on anthropological representation This book speaks not only to anthropologists concerned with ethnographic portrayals of Otherness but also to those working in cultural studies who are concerned with ethnographically grounded analyses of representations Throughout Adams illustrates how one might undertake an ethnography of transnationally produced subjects by using the notion of virtual identities In a manner informed by both Buddhism and shamanism virtual Sherpas are always both real and distilled reflections of the desires that produce them **Sherpas Through Their Rituals** Sherry B. Ortner,1978-04-14 Professor Ortner examines the Sherpas of the Himalayas **A Cognitive Theory of Cultural Meaning** Claudia Strauss,Naomi Quinn,1997 Culture and meaning are central to anthropology but anthropologists do not agree on what they are Claudia Strauss and Naomi Quinn propose a new theory of cultural meaning one that gives priority to the way people s experiences are internalized Drawing on connectionist

or neural network models as well as other psychological theories they argue that cultural meanings are not fixed or limited to static groups but neither are they constantly revised and contested Their approach is illustrated by original research on understandings of marriage and ideas of success in the United States **Gaiety of Spirit** Frances Klatzel,2011-11-29 Since the birth of modern mountaineering the term Sherpa has been used to refer to Himalayan men working as guides on expeditions in and around the area of Mount Everest Known mostly for their remarkable mountaineering skills and expertise Sherpas are much more than mere high altitude porters The Sherpas are an extraordinary ethnic people who settled the remote valleys in the Himalayas about 500 years ago and whose culture is steeped in the rich philosophical traditions of Himalayan Buddhism As distinguished British Himalayan mountaineer Eric Shipton wrote the temperament and character of the Sherpas have won them a large place in the hearts of the Western travellers Their most enduring characteristic is their extraordinary gaiety of spirit For three decades writer and naturalist Frances Klatzel has lived and worked with Sherpas near Mount Everest During this time she has gained intimate access and a profound knowledge of the people helping to create the Sherpa Cultural Centre at Tengboche the largest Buddhist monastery in the region Infused with the author s own reflections and experiences and complete with colour photos highlighting Sherpa life from the metaphysical to the everyday *Gaiety of Spirit* will take the reader on a magnificent journey toward a richer level of understanding of Sherpa culture traditions symbols belief and history *Inspiring Stories of Everest Conquerors* Amrahs Hseham,2024-01-27 The conquest of Mount Everest is not merely a physical endeavor it is a test of mental fortitude unwavering determination and unwavering belief in the pursuit of a dream Each chapter of this book takes you on a gripping journey through the lives of extraordinary individuals who dared to dream the impossible and transformed their aspirations into reality Within these pages you will discover the stories of men and women who have left an indelible mark on the history of Everest From the early expeditions that paved the way for future generations to the modern day conquerors who continue to push the limits of human potential their tales are a testament to the resilience of the human spirit We delve into the lives of renowned mountaineers such as Junko Tabei the first woman to summit Everest Erik Weiheymayer the first blind climber to reach the summit and Apa Sherpa who holds the record for the most ascents of Everest Their journeys of determination courage and unwavering perseverance inspire us to overcome our obstacles and chase our dreams with unwavering passion But this book is not only about the triumphs it also delves into the tragedies that have befallen those who have sought to conquer Everest We pay tribute to the lives lost on the mountain including those of Hannelore Schmatz and Scott Fischer reminding us of the risks and sacrifices that accompany this unparalleled quest *Adventurous Stories of Everest Conquerors* MD Sharma,2025-02-03 *Adventurous Stories of Everest Conquerors* chronicles the incredible journeys of climbers who have reached the summit of Mount Everest highlighting their courage resilience and triumphs Featuring pioneers like Junko Tabei and Erik Weiheymayer as well as tragic losses the book explores both the beauty and brutality of Everest It celebrates teamwork perseverance and the

relentless human spirit that drives individuals to conquer nature's most formidable challenge Routledge Handbook of Highland Asia Jelle J.P. Wouters, Michael T. Heneise, 2022-08-09 The Routledge Handbook of Highland Asia is the first comprehensive and critical overview of the ethnographic and anthropological work in Highland Asia over the past half a century Opening up a grand new space for critical engagement the handbook presents Highland Asia as a world region that cuts across the traditional divides inherited from colonial and Cold War area divisions the Indian Subcontinent South Asia Southeast Asia China East Asia and Central Asia Thirty two chapters assess the history of research identify ethnographic trends and evaluate a range of analytical themes that developed in particular settings of Highland Asia They cover varied landscapes and communities from Kyrgyzstan to India from Bhutan to Vietnam and bring local voices and narratives relating trade and tribute ritual and resistance pilgrimage and prophecy modernity and marginalization capital and cosmos to the fore The handbook shows that for millennia Highland Asians have connected far flung regions through movements of peoples goods and ideas and at all times have been the enactors repositories and mediators of world historical processes Taken together the contributors and chapters subvert dominant lowland narratives by privileging primarily highland vantages that reveal Highland Asia as an ecumene and prism that refracts and generates global history social theory and human imagination In the currently unfolding Asian Century this compels us to reorient and re envision Highland Asia in ethnography in theory and in the connections between this world region made of hills highlands and mountains and a planetary context The handbook reveals both regional commonalities and diversities generalities and specificities and a broad orientation to key themes in the region An indispensable reference work this handbook fills a significant gap in the literature and will be of interest to academics researchers and students interested in Highland Asia Zomia Studies Anthropology Comparative Politics Conceptual History and Sociology Southeast Asian Studies Central Asian Studies and South Asian Studies as well as Asian Studies in general **Religious Tourism and the Environment** Kiran A. Shinde, Daniel H. Olsen, 2020-09-30 The remarkable growth in religious tourism across the world has generated considerable interest in the impacts of this type of tourism Focusing here on environmental issues this book moves beyond the documentation of environmental impacts to examine in greater depth the intersections between religious tourism and the environment Beginning with an in depth introduction that highlights the intersections between religion tourism and the environment the book then focuses on the environment as a resource or generator for religious tourism and as a recipient of the impacts of religious tourism Chapters included discuss such important areas as theological views environmental responsibility and host perspectives Culture Through Time Emiko Ohnuki-Tierney, 1990 Anthropological literature has traditionally been static and synchronic only occasionally according a role to historical processes but recent years have seen a burgeoning exchange between anthropology and history each field taking on a powerful new dimension in consequence Just what this means for anthropologists has not been clear and this collection eight core papers plus introduction and final

commentary introduces focus and direction to this interface between anthropology challenges several basic assumptions long held by anthropologists Researchers can no longer be satisfied with approaches epitomized in the ethnographic present Society may be a bounded entity but culture cannot be treated as such a culture should be examined as it has interacted with other cultures and with its environment over time Many traditionalists in anthropology faced with these disturbing new challenges fear the disintegration of the discipline but these thoughtful papers demonstrate on the contrary its vitality growth and promise In this volume major figures in symbolic semiotic anthropology offer various approaches to examining culture through time culture mediated by history and history mediated by culture in its complexity and dynamics The eight core papers focus on particular cultures in various locales Hawaii Nepal Spain Japan Israel India and Indonesia No artificial unity theoretical thematic or epistemological has been imposed The strength of the volume derives from a complementary diversity and tension as each player drawing on a particular culture offers an original way of penetrating that culture s historical dimensions
