Stories From Sleep No More

George MacDonald

Stories From Sleep No More:

Sleep No More P. D. James, 2017-11-14 A WASHINGTON POST NOTABLE BOOK Six stories from the beloved Queen of Crime swift cunning murder mysteries from throughout her extraordinary career A sophisticated collection Stylishly told and worthy of being read aloud by the fire The New York Times Book Review An unexpected delight This small collection is indeed a gift James skills at complicating the genre are never more apparent than here USA Today When it comes to crime it s not always a question of who dunnit Sometimes there s more mystery in the why or the how And what about the clever few who carry out what appears to be the perfect crime Or whose most essential selves are changed by the crimes they commit And what about those who know the identity of the murderer but keep the information to themselves These are some of the questions that these six stories begin to unlock as they draw us into the inner workings the thoughts and emotional machinations the recollections and rationalizations the dreams and desires behind both murderous cause and effect And no one gets inside the head of a perpetrator or makes it a peerlessly thrilling and entertaining read like the incomparable P D James

Sleep No More Iris Johansen, 2013-03-19 Forensic sculptor Eve Duncan is shocked to discover the true identity of a woman who has escaped from a mental hospital and enlists the help of rogue FBI profiler Kendra Michaels to take down a killer who is targeting her family

Sleep No More Jayne Ann Krentz, 2023-01-03 New York Times bestselling author Jayne Ann Krentz returns with the first novel of the Lost Night Files an exciting new romantic suspense trilogy about a night that changed three women forever but that none of them can remember Seven months ago Pallas Llewellyn Talia March and Amelia Rivers were strangers until their fateful stay at the Lucent Springs Hotel An earthquake and a fire partially destroyed the hotel but the women have no memory of their time there Now close friends the three women co host a podcast called the Lost Night Files where they investigate cold cases and hope to connect with others who may have had a similar experience to theirs an experience that has somehow enhanced the psychic abilities already present in each woman After receiving a tip for their podcast Pallas travels to the small college town of Carnelian California to explore an abandoned asylum Shaken by the dark energy she feels in the building she is rushing out when she s stopped by a dark figure who turns out to be the women s mysterious tipster Ambrose Drake is certain he s a witness to a murder but without a body everyone thinks he s having delusions caused by extreme sleep deprivation But Ambrose is positive something terrible happened at the Carnelian Sleep Institute the night he was there Unable to find proof on his own he approaches Pallas for help only for her to realize that Ambrose too has a lost night that he can t remember one that may be connected to Pallas Pallas and Ambrose conduct their investigation using the podcast as a cover and while the townsfolk are eager to share what they know it turns out there are others who are not so happy about their questions and someone is willing to kill to keep the truth from coming out

Sleep No More Seanan McGuire, 2023-09-05 The 17th novel of the Hugo nominated New York Times bestselling October Daye urban fantasy series October is very happy with her life as the second daughter of her pureblood parents Amandine and

Simon Torquill Born to be the changeling handmaid to her beloved sister August she spends her days working in her family's tower serving as August's companion and waiting for the day when her sister sets up a household of her own Everything is right in October's Faerie Everything is perfect Everything is a lie October has been pulled from her own reality and thrown into a twisted reinterpretation of Faerie where nothing is as it should be and everything has been distorted to support Titania's ideals Bound by the Summer Queen's magic and thrust into a world turned upside down October has no way of knowing who she can trust where she can turn or even who she really is As strangers who claim to know her begin to appear and the edges of Titania's paradise begin to unravel Toby will have to decide whether she can risk everything she knows based on only their stories of another world But first she'll have to survive this one as Titania demonstrates why she needed to be banished in the first place and this time much more than Toby's own life is at stake *The Shakespeare Story-Book* Уильям Шекспир, Mary Maclean, 2021-12-02 *Sleep No More* Greg Iles, 2003-05-06 The #1 New York Times bestselling author of the Penn Cage series explores the dangers of obsession in this gripping psychological thriller John Waters is a successful businessman and a happy family man but his life comes crashing down around him with one word from a beautiful stranger Soon Suddenly he is face to face with a memory from his past of an obsession that he thought he had escaped One that now plunges him into the darkest side of love and passion This novel should come with a red wrapper marked DANGER HIGH EXPLOSIVES Stephen King **The Collected Shorter Plays** Samuel Beckett, 2010 Collects over twenty short plays published by the Nobel Prize winning playwright Samuel Beckett Includes his mimes radio and television plays screenplay and adaptations of other's works **Listening in** Eric Prieto, 2002-01-01 What can music teach a novelist autobiographer or playwright about the art of telling stories The musical play of forms and sounds seems initially to have little to do with the representational function of the traditional narrative genres Yet throughout the modernist era music has been invoked as a model for narrative in its specifically mimetic dimension Although modernist writers may conceive of musical communication in widely divergent ways they have tended to agree on one crucial point that music can help transform narrative into a medium better adapted to the representation of consciousness Eric Prieto studies the twentieth century evolution of this use of music with particular emphasis on the postwar Parisian avant garde For such writers as Samuel Beckett Michel Leiris and Robert Pinget music provides a number of guiding metaphors for the inwardly directed mode of mimesis that Prieto calls listening in where the object of representation is not the outside world but the subtly modulating relations between consciousness and world This kind of semiotic boundary crossing between music and literature is inherently metaphorical but as Prieto's analyses of Beckett Leiris and Pinget show these interart analogies provide valuable clues for bringing to light the unspoken assumptions obscurely understood principles and extra literary aspirations that gave such urgency to the modernist quest to better represent the mind in action *Sleep No More* Susan Crandall, 2024-09-24 A doctor attempts to clear up the mysteries surrounding a troubled sleepwalker in this romantic suspense novel from the acclaimed author of

Seeing Red The night was always Abby Whitman s enemy As a young girl she walked in her sleep and one night she started a fire that scarred her sister for life and left Abby with unbearable guilt and a loneliness that echoes within her Now Abby has begun blacking out again with apparently fatal results A car accident has killed the son of a prominent family Even though the evidence seems to exonerate her Abby is plagued by doubts and soon by mysterious threats Psychiatrist Dr Jason Coble is intrigued by Abby and offers to help her explore the dark recesses of her mind Through this terrifying journey Jason s interest turns to passion and he yearns to give her the love she craves But first Abby must trust him and shed light on secrets that will rock this Southern town and reveal a danger that threatens them both A good cozy mystery wrapped in a solid romance both an easy and riveting read Romantic Times Book Review [Fanocracy](#) David Meerman Scott,Reiko Scott,2020-01-07 A Wall Street Journal bestseller From the author of New Rules of Marketing PR a bold guide to converting customer passion into marketing power How do some brands attract word of mouth buzz and radical devotion around products as everyday as car insurance b2b software and underwear They embody the most powerful marketing force in the world die hard fans In this essential book leading business growth strategist David Meerman Scott and fandom expert Reiko Scott explore the neuroscience of fandom and interview young entrepreneurs veteran business owners startup founders nonprofits and companies big and small to pinpoint which practices separate organizations that flourish from those stuck in stagnation They lay out a road map for converting customers ardor into buying power pulling one of a kind examples from a wide range of organizations including MeUndies the subscription company that s revolutionizing underwear HeadCount the nonprofit that registers voters at music concerts Grain Surfboards the board building studio that willingly reveals its trade secrets with customers Hagerty the classic car insurance provider with over 600 000 premier club members HubSpot the software company that draws 25 000 attendees to its annual conference For anyone who seeks to harness the force of fandom to revolutionize his or her business Fanocracy shows the way [The Sea We Swim In: How Stories Work in a Data-Driven World](#) Frank Rose,2021-06-29 A practical guide to narrative thinking and why it matters in a world defined by data In The Sea We Swim In Frank Rose leads us to a new understanding of stories and their role in our lives For decades experts from many fields psychologists economists advertising and marketing executives failed to register the power of narrative Scientists thought stories were frivolous Economists were knee deep in theory Marketers just wanted to cut to the sales pitch Yet stories not reasoning are the key to persuasion Whether we re aware of it or not stories determine how we view the world and our place in it That means the tools of professional storytellers character world detail voice can unlock a way of thinking that s ideal for an age in which we don t passively consume media but actively participate in it Building on insights from cognitive psychology and neuroscience Rose shows us how to see the world in narrative terms not as a thesis to be argued or a pitch to be made but as a story to be told Leading brands and top entertainment professionals already understand the vast potential of storytelling From Warby Parker to Mailchimp to The Walking Dead Rose explains how they

use stories to establish their identity and turn ordinary people into fans and how you can do the same **Sleep No More** Jeff Gulvin, 2013-05-14 Inspector Aden Vanner's investigation into vigilante killings in London takes a bizarre twist when the inspector himself becomes the prime suspect London's Det Chief Inspector Aden Vanner former member of the Irish army has never tracked a serial killer as haunting or as elusive as the Watchman The victims seemingly ordinary citizens in need of retribution shot execution style and left with the Watchman's calling cards a photograph of the crime scene and the same cryptic message sent to authorities All my pretty ones After four years on the case Vanner snaps and beats a suspect senseless an incident that could cost him more than his career Because Superintendent Morrison has been following the Watchman case closely He's convinced the vigilante is one of his own And everything now points to Aden Vanner Sleep No More begins Gulvin's gritty police procedural trilogy followed by Sorted and Close Quarters Gulvin keeps your nose glued to the page The Literary Review *Shakespeare and Beckett* Claudia Olk, 2023-01-26 The danger is in the neatness of identifications Samuel Beckett famously stated and at first glance no two authors could be further distant from one another than William Shakespeare and Samuel Beckett This book addresses the vast intertextual network between the works of both writers and explores the resonant correspondences between them It analyses where and how these resonances manifest themselves in their aesthetics theatre language and form It traces convergences and inversions across both uvres that resound beyond their conditions of production and possibility Uncovering hitherto unexplored relations between the texts of an early modern and a late modern author this study seeks to offer fresh readings of single passages and entire works but it will also describe productive tensions and creative incongruences between them **A Bachelor's Story** Oliver Bell Bunce, 1860 *Gothic Travel through Haunted Landscapes* Lucie Armitt, Scott Brewster, 2022-12-06 This book argues that the process and experience of travel in Gothic literature provides a unique and transformative perspective on the relationship between fear and recurring cultural preoccupations from the late eighteenth century to the present ranging from concerns about climate change or the presence of the unseen to the negotiation of cultural difference and the apprehension produced by various modes of modern transport and unknown unknowable terrain The book follows travellers who take many fictional forms tourists commuters walkers explorers as well as the armchair tourist or reader as they encounter fascinating strange and often disconcerting weathers climates landscapes and topographies Gothic travel epitomises the wonder excitement suspicion or incomprehension that arises from journeys through familiar and unfamiliar terrain While exposure to the wild elemental or primitive could produce the elevation of the sublime in early Gothic increasingly the experience of travel raised unsettling questions about people places and environments that lay beyond established frames of knowledge Gothic travellers are haunted never alone and the experience of journeying through these landscapes provokes fears that may shadow them even after they have returned to home ground Climates of Fear reveals the persistent ways in which Gothic narratives of travel confront fears about the environment surveillance immigration and the foreign These abiding concerns

speak loudly to the present time however when the encroachments on our immediate surroundings from climate change digital communication and geopolitical dislocation seem at once remote and intimate invisible yet urgent Thus the book also asks whether recent portrayals of Gothic journeys now pose different questions to the reader **The Broken Window** Jane Alison Hale, 1987 The author defines and analyzes the new type of theatrical perspective invented by Samuel Beckett She begins with an overview of the changes of the definition of twentieth century knowledge e g art science philosophy and psychology then discusses the concepts of time space and movement which underlie Beckett's notion and use of perspective in the theater The Broken Window shows how Beckett translates a number of twentieth century aesthetic and philosophical concerns the impossibility of separating subject and object the indeterminacy of time and space the inevitability of movement and change into specific dramatic techniques and traces their evolution through close textual analyses of six plays Hale is the first critic to define Beckett's theatrical techniques in terms of the notion of perspective and to link them to similar innovations in the plastic arts In addition no critic has so exhaustively elaborated Beckett's premises of indeterminacy the inevitability of perception and the breakdown of the subject object relationship [The Complete Works of George MacDonald: Novels, Short Stories, Poetry, Theological Writings & Essays \(Illustrated\)](#) George MacDonald, 2024-01-09 The Complete Works of George MacDonald Novels Short Stories Poetry Theological Writings Essays Illustrated is an extensive compilation that showcases the remarkable range of MacDonald's literary output Renowned for his pioneering contributions to fantasy literature the collection encapsulates his distinctive style a blend of ornate prose vivid imagery and philosophical depth MacDonald intricately intertwines themes of divine love spiritual growth and moral complexity across his narratives providing a rich tapestry that not only entertains but also engages the reader's intellect and soul The enhanced experience of this illustrated edition serves to further illuminate MacDonald's imaginative world drawing readers even deeper into his profound insights and enchanting realms George MacDonald 1824-1905 a Scottish author poet and theologian is considered a precursor to modern fantasy writers such as C S Lewis and J R R Tolkien His writings reflect his deep Christian faith and visionary outlook on life influenced by personal experiences including his struggles with health and the tragic loss of loved ones MacDonald was not only a creator of fictional universes but also an earnest contemplator of faith love and the human condition which resonate powerfully in this comprehensive collection For readers seeking to explore the depth of compassion and imagination woven through MacDonald's work this collection is an essential addition to any literary library It serves as both a nostalgic homage to classical literature and a profound exploration of faith and morality appealing to both casual readers and scholars alike Dive into the timeless narratives and reflective essays that continue to inspire and challenge making this a must read for those who appreciate the convergence of art and theology In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions A Historical Context section situates the works in their broader era social

currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different work s strengths Reflection questions inspire deeper contemplation of the author s overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collection s central themes

The Complete Short Stories Robert Louis Stevenson,2017-07-31 The complexity and range of Robert Louis Stevenson s short fiction reveals his genius perhaps more than any other medium Here leading Stevenson scholar Barry Menikoff arranges and introduces the complete selection of Stevenson s brilliant stories including the famed masterpiece Strange Case of Dr Jekyll and Mr Hyde as well as The Beach of Fales and Stevenson s previously uncollected stories

Writing, Retelling, and Critically Reading Children's and Young Adult Tales Bernard Montoneri,2025-06-24 This edited collection traces the evolution of writing retelling and critically reading children s and young adult tales over decades of cultural social and technological changes Global contributions cover the increasingly diverse narratives found in children s literature including how contemporary authors challenge traditional gender roles found in fairy tales through modern increasingly prevalent retellings Chapters also consider the psychological impact of storytelling on children and how narratives can provide children with frameworks for understanding their emotions and experiences
