Stories from the Tain Tain Bo Cuailnge, 1939 **STORIES FROM THE TAIN** JOHN. STRACHAN, 2018 *Stories from the Táin* John Strachan, 1908 **Stories from the Tain** Osborn Bergin, John Strachan, 1993-12-31 Third edition of an essential text book for beginners in Old Irish **Stories from the Táin** John Strachan, 1976 *The Essential Táin Bó Cúailnge and Other Stories from the Ulster Cycle* Matthieu Boyd, 2025-09-04 T in B C ailnge frequently referred to as the T in is one of the most important works of medieval Irish literature and has been called the national epic of Ireland This new judiciously abridged translation of the T in renders the text in an approachable colloquial style that nevertheless maintains enough accuracy to support close reading This edition also contextualizes the T in itself with numerous selections from the rest of the so called Ulster Cycle the related body of legends about the characters of the T in including accounts of their origins and their deaths Also included are a full introduction extensive footnotes drawing on the most recent scholarship on the T in that provide clarifications explanations and background information four maps showing the sites of major events in the epic and a series of character trees to help readers keep track of the T in s large cast of characters and their often complex interrelationships among other valuable resources **Stories from the tain** , 1970 *The Tain* , 2018-01-16 Also known as The Cattle Raid of Cooley this ancient Irish legend recounts the heroic feats of C Chulainn Its scenes of fierce combat are interwoven with earthy humor and wild exaggeration *Stories From the Táin* John Strachan, 2015-07-21 Excerpt from Stories From the Tain Edited With Vocabulary The following selections from the Tain Bo Cuailnge together with the critical notes and vocabulary were originally published by the late Professor Strachan in 1903 in numbers 158 to 167 of *Irisleabhar na Gaedhilge* It was his intention frustrated by his sudden lamented death to re edit them as a textbook for the School of Irish Learning For this purpose Mrs R I Best had prepared a copy in which the vocabularies were arranged in alphabetical order at the end of the extracts This copy was found among Strachan s papers

and handed to me by his widow for publication It contained no corrections or additions though if he had lived to bring out this little book himself Strachan would probably have normalised the spelling still further and revised some of the notes and entries in the vocabulary The whole is now printed without any alterations except in details Mr Best and Dr Bergin have shared with me the task of seeing it through the press About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Transactions of the Royal Irish Academy Royal Irish Academy (Dublin), 1830 **The Táin** , 2002-09-26 The T in B Cuailnge centre piece of the eighth

century Ulster cycle of heroic tales is Ireland's greatest epic. It tells the story of a great cattle raid, the invasion of Ulster by the armies of Medb and Ailill, queen and king of Connacht, and their allies seeking to carry off the great Brown Bull of Cuailnge. The hero of the tale is Cúchulainn, the Hound of Ulster, who resists the invaders single-handed while Ulster's warriors lie sick. Thomas Kinsella presents a complete and living version of the story. His translation is based on the partial texts in two medieval manuscripts, with elements from other versions, and adds a group of related stories which prepare for the action of the T in Ill. Illustrated with brush drawings by Louis le Brocq, this edition provides a combination of medieval epic and modern art. *Stories from the Tain - Primary Source Edition* John Strachan, 2013-09. This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc., that were either part of the original artifact or were introduced by the scanning process. We believe this work is culturally important and, despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book. **Signs of Weakness** Varese Layzer, 2001-03-01. Are early Irish stories influenced by the Bible or transcriptions of pre-Christian Celtic lore? Layzer explores the practical and theoretical difficulties of determining influence in ancient writing and the relationship between the oral and the written, literacy and literature, and the disciplines of Irish Studies and Biblical Studies. This fascinating comparative study matches Samson, Jonah, and Esther with three Irish heroes for similarities in theme and treatment. Among the features explored are weakness and heroic strength, gender and power, frailty and ambiguity. The sexy, counterintuitive characters of the Irish stories throw a wonderful light on the techniques of ancient Hebrew narrative. **Stories from the Táin** John Strachan, 1928.
