Stories Of Benjamin:

Stories of Benjamin T. Barrie Simmons, 1989 **Stories from the Sidelines** Malinda Fugate, 2024-09-24 The pages of the Bible are full of ordinary people placed in extraordinary circumstances that we often overlook or forget Stories From the Sidelines offers a refreshing exploration of biblical narratives focusing on characters who played supporting roles rather than the heroes we know and love Through imaginative retellings this book explores the lives of various Old and New Testament characters such as Noah s sons Job s wife Apollos and the women of the early church Each story is followed by an application highlighting the relevance of these ancient accounts in today s world Readers will encounter characters who may be new to them like Huldah or the sons of Hassenaah What was it like to be the younger brother of Joseph or the oldest brother of King David Two scouts went ahead of Israel into the Promised Land Joshua became their leader but the other scout s faithfulness to God is worth remembering Stories From the Sidelines challenges readers to appreciate the depth and complexity of biblical figures often relegated to the margins It provides insights into human nature and moral choices encouraging readers to reflect on their own lives and the often unsung influences around them and is a compelling invitation to rediscover the richness of biblical stories through the eyes of those who stood on the sidelines but whose lives still offer valuable lessons today

The Curious Case of Benjamin Button F. Scott Fitzgerald, 2008 The Curious Case of Benjamin Button is one of F Scott Fitzgerald s most memorable short stories The protagonist Benjamin Button is born an old man and ages in reverse until he becomes a baby and then finally vanishes from the earth In a short introduction to the story Fitzgerald wrote This story was inspired by a remark of Mark Twain s to the effect that it was a pity that the best part of life came at the beginning and the worst part at the end By trying the experiment upon only one man in a perfectly normal world I have scarcely given his idea a fair trial Several weeks after completing it I discovered an almost identical plot in Samuel Butler s Note books The Curious Case of Benjamin Button was the inspiration for the major motion picture of the same name and remains one of Fitzgerald s most haunting and beautiful tales This collection also includes three other Jazz Age tales by Fitzgerald

The Curious Case of Benjamin Button and Other Stories F. Scott Fitzgerald, 2020-03-18 Although better known today for his novels in the 1920s F Scott Fitzgerald ranked among the top writers of magazine fiction Fitzgerald represented the dreams and aspirations of the post World War I generation in his life as well as his works With his glamorous wife Zelda and his cosmopolitan social circle he projected the perfect image for narrating tales of restless youth in a hectic world These short stories offer insights into many themes characters and techniques that emerged in Fitzgerald s later works The title tale The Curious Case of Benjamin Button reflects his preoccupation with life s fleeting nature Winter Dreams written three years before The Great Gatsby shares the concept of commitment to an idealized dream Babes in the Woods developed during the author s Princeton days evidences the roots of This Side of Paradise Thirteen other selections offer further insights into the author s growing skills as well as examples of his sparkling prose understated wit and deft characterizations
