The years between and parodies** Rudyard Kipling,1919

Stories of Britain in Song ,1972 **The British Short Story** Emma Liggins,Andrew Maunder,Ruth Robbins,2017-09-16 The short story remains a crucial if neglected part of British literary heritage This accessible and up to date critical overview maps out the main strands and figures that shaped the British short story and novella from the 1850s to the present It offers new readings of both classic and forgotten texts in a clear jargon free way **The Song of Arthur** John Matthews,2002 This companion to Celtic folklorist John Matthews The Song of Taliesin Quest 2001 features seventeen stories never before published in book form interspersed with the author s original poetry in the style of the ancient past whence the tales spring The book is a stunning retelling of legends myths and folktales drawn from the Welsh Mabinogion the Taliesin tradition The Book of Leinster the story of Perceval Malory s Morte d Arthur and other traditional sources The stories are accompanied by excellent endnotes explaining sources and elucidating points of difficulty but they stand beautifully on their own Taken as a whole they present the characters themes and events of Celtic Grail and Arthurian lore in an authentic literary voice that makes for great reading and great telling The Ancient Wisdom flows forward in many forms One of its streams is surely found in the Arthurian quest for the Grail which is at its core the quest for enlightenment and spiritual mastery Matthews lucid refashioning of these tales is informed by his deep understanding of their esoteric center Through them the reader may clearly see the Ancient Wisdom shine **Tommy's Story: The Life Experience of a Salford Man, A British Soldier of World War Two.** A J Denny,2017-07-02 Tommy s story begins in an impoverished Salford of a bygone time It follows Tommy through his childhood and youth This leads into the main part of the story about Tommy s experiences as a British soldier seeing combat in the Libyan Desert with the British 7th Armoured Division which leads to capture and life as a prisoner of war and eventual escape and spectacular journey to reach freedom The story has twists and turns that will keep the reader not knowing how it will finish until the end It contains shocking first hand accounts of war and the harshness of living in a war environment but also moments of hope and endeavour and the laughter of life and romance in the most bizarre of situations The story travels between continents and countries highlighting the importance of how a grasp of different languages can remove cultural barriers and in Tommy s story probably saved his life **The London catalogue of books published in Great Britain, 1816 to 1851 [compiled by T. Hodgson].** London catalogue,1851
