The Nephilim, Watchers, and Giants of Old Riddick Dawson,2025-10-03 In just four cryptic verses Genesis 6 1 4 opens a doorway into one of the Bible s greatest mysteries the union of the sons of God and the daughters of men and the birth of the Nephilim heroes of old men of renown What does this strange passage mean Who were these divine beings and what role did they play in shaping the destiny of humankind This book takes readers deep into the heart of the enigma tracing how Jewish Christian and later mystical traditions expanded these verses into an epic saga of angels forbidden knowledge and giants who once walked the earth From the Watchers of the Book of Enoch to the royal rulers of Mesopotamia from Augustine s Sethite theory to modern rediscoveries in the Dead Sea Scrolls each interpretation reflects humanity s struggle to understand where evil comes from and how heaven and earth once collided Drawing on Scripture apocrypha and ancient myth the narrative reveals how the Watchers brought secret arts of war sorcery and astrology to humankind how their monstrous offspring filled the world with violence and why their story became central to demonology theology and apocalyptic imagination At the center stands Enoch the man who walked with God chosen to mediate between heaven and earth and to announce judgment on the very angels who once held dominion Part history part theology and part mythological exploration this work invites readers to step into
