Just like the rainbow has no end God's promise has no end Just like the rainbow will last forever I want us to last Forever in a bond of unbreakable love sent from the Father in Heaven There is more to the rainbow than the pot of gold at the end What if we have been looking at the wrong place and the treasure that we seek is not at the end of the rainbow but within the rainbow itself Join Kyle Walker on a journey to find this true treasure as he explores themes of faith and love in inspirational verse *The Alliance Weekly*, 1929 Rainbow light, by A.E.M. A. E. M., 1882 *Join the Rainbow Crystal Skulls; on the Pathway to Deep Peace* Susie Sutton, 2023-02-02 The crystal skulls contribute toward enlightenment on all levels because connecting to their high frequencies brings each of us into the realms of super consciousness In *Join the Rainbow Crystal Skulls On the Pathway to Deep Peace* author Susie Sutton discusses the importance of the crystal skulls and shares her experiences with them She tells how crystal skull consciousness is a high vibration that connects to any crystal especially when the crystal is shaped like a skull This automatically occurs because the super consciousness is here in the physical It has joined us because the high frequencies are now able to connect to all because of mother earth by raising her heart frequencies Sutton discusses how mother earth holds us and our physical bodies she's always a central part of each of us Join the Rainbow Crystal Skulls On the Pathway to Deep Peace communicates that we're able to connect to these high energies by using meditation each day We'll remember who we truly are if we choose to be silent for specific periods We are spirit in the physical body Our memory of this will be channeled gradually through the devotion in stillness Rainbow in the Word Ellin S. Jimmerson, 2017-08-24 LGBTQ Christians read love scrutinize become absorbed with and find deep spiritual meaning in the Bible As these testimonies show lesbian gay bisexual transgender and other queer Christians are inaugurating a fresh exciting new era in biblical interpretation It is they whose rare insights into particular Bible stories and characters told with poignancy and clarity reveal a gay friendly Bible and a gay friendly God who cherishes and needs them just as they are It is they who are running to the Bible with a longing for the Holy Spirit that far surpasses that of too many straight Christians If given free rein these inventive challenging and profoundly engaged evangelists may be the ones we have been waiting for to rescue biblical interpretation from those who too often are not only hurtful but dismal and boring Thank God for them

**The Rainbow, a magazine of Christian literature**, 1867 Over the Rainbow Donald J. Przebowski, 2003-01-17 This is the story of Father John James Cummings who is assigned to a parish in Cambodia and encounters Pol Pot the Cambodian barbarian John is forced into a philosophical battle against the Cambodian barbarian surrounded by the physical violence of a communist revolution *The Sword and the Rainbow* Lynn Nackson, 2017-07-06 *The Sword and the Rainbow* by Lynn Nackson Everyone has a story that can enlighten if told from the right perspective My story is of a search for peace of mind through a mental illness that began in childhood and continued most of my adult life The spiritual conflicts of the Christian beliefs left me with despair when I was an adolescent and into my adulthood In my case I could not divorce the spiritual from the mental To me hell was here on earth as I went in and out of mental institutions even making attempts to end the torment

by ending my life A very wise doctor pointed the way to Buddhism which has a view of reality and the unfolding of phenomena that speaks truth to me My faith in God found through my Christian beliefs in addition to the pragmatic approach of Buddhism led me to fulfillment and constant renewal My hope is that the reader can identify with the suffering and see their own suffering in a new light whether they suffer from a mental illness or not It is not a question of allowing diversity but a question of accepting it We are all diverse and we are all very similar I want to promote an understanding of the development of a mental illness as well as help the reader see mentally ill people go through all the emotions and struggles of a normal person I also hope that my book will give at least one person hope in the dark night of their soul Hope leads us forward It keeps us plowing on one step at a time

Alan Wallace,2014-09-02 By establishing a dialogue in which the meditative practices of Buddhism and Christianity speak to the theories of modern philosophy and science B Alan Wallace reveals the theoretical similarities underlying these disparate disciplines and their unified approach to making sense of the objective world Wallace begins by exploring the relationship between Christian and Buddhist meditative practices He outlines a sequence of meditations the reader can undertake showing that though Buddhism and Christianity differ in their belief systems their methods of cognitive inquiry provide similar insight into the nature and origins of consciousness From this convergence Wallace then connects the approaches of contemporary cognitive science quantum mechanics and the philosophy of the mind He links Buddhist and Christian views to the provocative philosophical theories of Hilary Putnam Charles Taylor and Bas van Fraassen and he seamlessly incorporates the work of such physicists as Anton Zeilinger John Wheeler and Stephen Hawking Combining a concrete analysis of conceptions of consciousness with a guide to cultivating mindfulness and profound contemplative practice Wallace takes the scientific and intellectual mapping of the mind in exciting new directions
