Stories Of Pavese:

Selected Works of Cesare Pavese Cesare Pavese, 2001-10-31 There is only one pleasure that of being alive All the rest is misery wrote Cesare Pavese whose short intense life spanned the ordeals of fascism and World War II to witness the beginnings of Italy's postwar prosperity Searchingly alert to nuances of speech feeling and atmosphere and remarkably varied his novels offer a panoramic vision at once sensual and finely considered of a time of tumultuous change This volume presents readers with Pavese's major works The Beach is a wry summertime comedy of sexual and romantic misunderstandings while The House on the Hill is an extraordinary novel of war in which a teacher flees through a countryside that is both beautiful and convulsed with terror Among Women Only tells of a fashion designer who enters the affluent world she has always dreamed of only to find herself caught up in an eerie dance of destruction and The Devil in the Hills is an engaging road novel about three young men roaming the hills in high summer who stumble on mysteries of love and death

Festival Night Cesare Pavese, 1964-12 These stories were Pavese's first works of fiction They are a record of his transition from poet to novelist and at least two of them were preliminary drafts for later novels This book reveals much of the tragedy and experience of Pavese's own life

This Business of Living Cesare Pavese, 2009 On June 23rd 1950 Pavese Italy's greatest modern writer received the coveted Strega Award for his novel Among Women Only On August 26th in a small hotel in his home town of Turin he took his own life Shortly before his death he methodically destroyed all his private papers His diary is all that remains and for this the contemporary reader can be grateful Contemporary speculation attributed this tragedy to either an unhappy love affair with the American film star Constance Dawling or his growing disillusionment with the Italian Communist Party His Diaries however reveal a man whose art was his only means of repressing the specter of suicide which had haunted him since childhood an obsession that finally overwhelmed him As John Taylor notes he possessed something much more precious than a political theory a natural sensitivity to the plight and dignity of common people be they bums priests grape pickers gas station attendants office workers or anonymous girls picked up on the street though to women the author could as he admitted be as misogynous as he was affectionate Bitter and incisive This Business of Living is both moving and painful to read and stands with James Joyce's Letters and Andre Gide's Journals as one of the great literary testaments of the twentieth century

Hard Labor Cesare Pavese, 2025-11-18 A landmark translation of passionate fiercely intelligent poetry about coming of age by one of the most influential Italian writers of the twentieth century In the spring of 1935 the young Cesare Pavese was sentenced for antifascist activities to three years of detention in a small seaside village in Calabria Far away from his familiar life in the city of Turin and forced to rely on his own resources he began to write poems of tremendous power in terse lines and unsentimental language giving voice to country people and hard country lives untainted by the propaganda of Fascism When I found my friends I found my real home land so worthless a man's got a perfect right to do absolutely nothing Though Pavese is now most famous for his fiction he was a poet first of all

and Hard Labor was the work for which he hoped to be remembered It is a book he once said that might have saved a generation William Arrowsmith's translations with their strong lines and bold American diction marvelously convey the spirit and complex vitality of the original
