The Age of Dimes and Pulps Jeremy Agnew,2018-07-25 From the dime novels of the Civil War era to the pulp magazines of the early 20th century to modern paperbacks lurid fiction has provided thrilling escapism for the masses Cranking out formulaic stories of melodrama crime and mild erotica often by uncredited authors focused more on volume than quality publishers realized high profits playing to low tastes Estimates put pulp magazine circulation in the 1930s at 30 million monthly This vast body of disposable literature has received little critical attention in large part because much of it has been lost the cheaply made books were either discarded after reading or soon disintegrated Covering the history of pulp literature from 1850 through 1960 the author describes how sensational tales filled a public need and flowered during the evolving social conditions of the Industrial Revolution

The Dark Fantastic Ebony Elizabeth Thomas,2020-09-22 Winner 2022 Children s Literature Association Book Award given by the Children s Literature Association Winner 2020 World Fantasy Awards Winner 2020 British Fantasy Awards Nonfiction Finalist Creative Nonfiction IGNYTE Award given by FIYACON for BIPOC in Speculative Fiction Reveals the diversity crisis in children s and young adult media as not only a lack of representation but a lack of imagination Stories provide portals into other worlds both real and imagined The promise of escape draws people from all backgrounds to speculative fiction but when people of color seek passageways into the fantastic the doors are often barred This problem lies not only with children s publishing but also with the television and film executives tasked with adapting these stories into a visual world When characters of color do appear they are often marginalized or subjected to violence reinforcing for audiences that not all lives matter The Dark Fantastic is an engaging and provocative exploration of race in popular youth and young adult speculative fiction Grounded in her experiences as YA novelist fanfiction writer and scholar of education Thomas considers four black girl protagonists from some of the most popular stories of the early 21st century Bonnie Bennett from the CW s *The Vampire Diaries* Rue from Suzanne Collins s *The Hunger Games* Gwen from the BBC s *Merlin* and Angelina Johnson from J K Rowling s *Harry Potter* Analyzing their narratives and audience reactions to them reveals how

these characters mirror the violence against black and brown people in our own world In response Thomas uncovers and builds upon a tradition of fantasy and radical imagination in Black feminism and Afrofuturism to reveal new possibilities Through fanfiction and other modes of counter storytelling young people of color have reinvisioned fantastic worlds that reflect their own experiences their own lives As Thomas powerfully asserts we dark girls deserve more because we are more
