Pilgrim Stories Margaret Blanche Pumphrey,1928 **Stories of the Pilgrims** Margaret Blanche Pumphrey,Lucy Fitch Perkins,1942 **Pilgrim Stories** Margaret Blanche Pumphrey,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1910 edition Excerpt TWO LITTLE CAPTIVES ON a sunny hillside near the river a boy was cutting corn It was late in September but the day was warm This is just the day for a row on the river said Isaac Bradley to himself As he looked over the bright smoothly flowing water he saw a little boat coming toward him In it as the boat neared the shore he saw his friend Joseph who lived in the village of Haverhill a mile farther down the river Joseph tied his boat to the root of a tree on the bank and came up into the field Get your line and let s go fishing he cried as he climbed the hill I cannot go until I finish cutting this corn answered Isaac There are only a few rows more Give me a knife and I will help you said Joseph So he took one of the strong sharp corn knives and began to cut the dry stalks near the ground In those days no one had thought of making a corncutter that should be drawn by horses Cutting corn with a knife was slow hard work When they reached the end of the row the boys stopped to rest How warm and tired they were They were on the top of the hill now near the edge of the woods The forest once came quite down to the river It had taken Mr Bradley and his father also many years to clear the trees off this field The boys sat down in the shade of a tree to talk about their plans for the afternoon Presently Joseph said Let us get a good cool drink from the spring and then finish cutting that corn Near the edge of the forest a spring of clear cold water bubbled up out of the rocks A tiny stream flowed from the spring and danced merrily down the hillside to join the broad river Joseph and Isaac knelt on the mossy rocks to drink Suddenly two painted Indian warriors sprang from behind the

Pilgrim Stories Nancy Louise Frey,1998-12-30 Each year thousands of men and women from more than sixty countries journey by foot and bicycle across northern Spain following the medieval pilgrimage road known as the Camino de Santiago Their destination is Santiago de Compostela where the remains of the apostle James are said to be buried These modern day pilgrims and the role of the pilgrimage in their lives are the subject of Nancy Louise Frey s fascinating book Unlike the religiously oriented pilgrims who visit Marian shrines such as Lourdes the modern Road of St James attracts an ecumenical mix of largely well educated urban middle class participants Eschewing comfortable methods of travel they choose physically demanding journeys some as long as four months in order to experience nature enjoy cultural and historical patrimony renew faith or cope with personal trauma Frey s anthropological study focuses on the remarkable reanimation of the Road that has gained momentum since the 1980s Her intensive fieldwork including making the pilgrimage several times herself provides a colorful portrayal of the pilgrimage while revealing a spectrum of hopes discontents and desires among its participants many

of whom feel estranged from society The Camino s physical and mental journey offers them closer community greater personal knowledge and links to the past and to nature But what happens when pilgrims return home Exploring this crucial question Frey finds that pilgrims often reflect deeply on their lives and some make significant changes an artistic voice is discovered a marriage is ended meaningful work is found Other pilgrims repeat the pilgrimage or join a pilgrims association to keep their connection to the Camino alive And some only remain pilgrims while on the road In all Pilgrim Stories is an exceptional prism through which to understand the desires and dissatisfactions of contemporary Western life at the end of the millennium Feet are touched discussed massaged and become signs of a journey well traveled I did it all on foot Pilgrims give feet a power and importance not recognized in daily life as a causeway and direct channel to the road the past meaningful relations nature and the self

Herron, 1866 **The Modern Pilgrim** Paul Post, Paulus Gijssbertus Johannes Post, Jos Pieper, Marinus van Uden, 1998 This book is the product of a relatively long history of pilgrimage research in a Dutch theological setting It is intended as a report for an international audience on this long running programme Two lines are followed in the book The first is the track of liturgical studies in which an historical European ethnological and anthropological approach has predominated The second is a social science track with specific content coming from psychology of religion The combination of these two lines has been extremely fruitful In addition to results of various surveys of contemporary pilgrimage practice and the expansion of research into ritual and cultural context in which modern pilgrims find themselves special attention is also bestowed on historiographic issues involved in orienting pilgrimage research and its theoretical and methodological aspects The places of pilgrimage examined here are Wittem Dokkum and Amsterdam in The Netherlands Banneux in Belgium Lourdes and La Salette in France and Santiago de Compostela in Spain The central question which informs the whole study is to what extent one can perhaps speak of a new type of pilgrim today the modern pilgrim **E. A. Robinson's Narrative Poetry** Faisal Al-Doori, 2023-07-10 Edwin Arlington Robinson was a prolific American poet during the 1920s This book approaches one of the critical features of Robinson's poetry often overlooked by critics which is his method of narration Narration is one of the crucial points in Robinson's poetry that puzzles his critics Robinson's poems are portraits that include characters setting a

method of narration and all other points that fit any narrative piece This book takes as its point of departure the idea that unless Robinson's narrative approach is discussed no proper understanding of his poems will be achieved The book deals with the influence of New England and Puritanism on the poet's life and works The book studies the poet's shorter and longer poems It also includes the study of his masterpiece *The Man Against the Sky*

Storytelling in the Works of Bunyan, Grimmelshausen, Defoe, and Schnabel Janet Bertsch, 2004 Examines how uses of fictional storytelling reflect the secularization process that coincided with the rise of the modern novel The modern novel appeared during the period of secularization and intellectual change that took place between 1660 and 1740 This book examines John Bunyan's *Grace Abounding* and *The Pilgrim's Progress* Johann Grimmelshausen's *Simplicissimus* Daniel Defoe's *Robinson Crusoe* and J G Schnabel's *Insel Felsenburg* as prose works that reflect the stages in this transition The protagonists in these works try to learn to use language in a pure uncorrupted way Their attitudes towards language are founded on their understanding of the Bible and when they tell their life stories they follow the structure of the Bible because they accept it as the paradigmatic story Thus the Bible becomes a tool to justify the value of telling any story The authors try to give their own texts some of Scripture's authority by imitating the biblical model but this leads to problems with closure and other tensions If Bunyan's explicitly religious works affirm the value of individual narratives as part of a single universal story Grimmelshausen's and Defoe's protagonists effectively replace the sacred text with their own powerful authoritative stories J G Schnabel illustrates the extent of the secularization process in *Insel Felsenburg* when he defends the entertainment value of escapist fiction and uses the Bible as the fictional foundation of his utopian civilization arguments about the moral value of narrative give way to the depiction of storytelling as an end in itself But Bunyan Grimmelshausen Defoe and Schnabel all use positive examples of the transfiguring effect of reading and telling stories whether sacred or secular to justify the value of their own works Janet Bertsch teaches at Wolfson and Trinity College Cambridge

The Bible and Global Tourism James S. Bielo, Lieke Wijnia, 2021-01-14 This volume examines the ways in which biblical tourism is enmeshed within the production and management of heritage global contexts of marketing and publicity accessibility of sacred sites and routes for multiple audiences and the forging of connections between travel and social identity By exploring issues such as devotional piety religious pedagogy and entertainment an interdisciplinary collection of scholars traces how biblical tourism experiences are choreographed and consumed and how these practices shape embodied and narrative performances of scripture Contributors focus on four major questions How have people used tourism to develop new or renewed relationships with the Bible Historically what role has the Bible played in the development of modern tourism In the context of the tourist encounter how have people mobilized the Bible as a social and expressive resource And what forms of social exchange shape acts of biblical tourism such as among pilgrims or between people and landscapes These questions are centered not only around authorized shrines and Holy Places but also festivals museums theme parks and heritage sites This book aims to

create a comparative and interdisciplinary dialogue around the dynamic relationship between biblical heritage claims and the practices and infrastructures of modern tourism
