dive into the ideas of the witch in myth legend and fairytale Next follows an exploration of popular belief and superstition during the witch trials across Europe and the United States one of the most tumultuous and bloody of our collective history The last section brings us to more recent times exploring how the image and identity of the witch has been reclaimed and reinvented the significance of the Wheel of the Year the advent of Wicca and modern Witchcraft and beyond Finally and most crucially we are left with the vital question what have we learned from the past and what is the best way to approach our often terrible shared history of the witch

Stories of Witches Christopher Rawson, 2004 Here are three tales to bewitch a witch who loses her broomstick a witch who loses her temper and a witch who gets tricked by a clever farmer *The Silver Bullet, and Other American Witch Stories* Hubert J. Dziemianowicz, Martin Harry Greenberg, 1995 The witches who populate these 100 delightfully scary stories include practitioners of white witchcraft and devotees of black magic Most are female some are male and a few are thoroughly unclassifiable They can be born witches or made witches and may mix simple love potions or volatile concoctions that threaten all we hold dear Some resent not receiving the treatment they feel they deserve from lesser mortals yet other witches don't even realize that they wield any special influence at all The many writers who take on this ever fascinating character so fundamentally human unlike her more paranormal ghostly brethren include Juleen Brantingham *Burning in the Light* Joe R Landsdale *By the Hair of the Head* Simon McCaffery *Blood Mary* Terry Campbell *Retrocurses* Lawrence Shimel *Coming Out of the Broom Closet* and a coven of others
