Revival: Stories by Contemporary Japanese Women Writers (1983) Noriko Mizuta Lippit, Kyoko Iriye Selden, 2017-09-29 This title was first published in 1982 The authors deal with the experiences of modern women with penetrating sincerity and honesty but their philosophic profundity in understanding modern life their intellectual capacity to view their experience in a historical and social context and their mastery of the art of fiction render the traditional category of female school literature totally inadequate to characterize their works Indeed they stand at the core of modern Japanese literature as a whole **Japanese Women Writers: Twentieth Century Short Fiction** Noriko Mizuta Lippit, Kyoko Iriye Selden, 2015-03-04 This collection includes translated works by Japanese women writers that deal with the experiences of modern women The work of these women represents current feminist perception imagination and thought Here are Japanese women in infinite and fascinating variety ardent lovers lonely single women political activists betrayed wives loyal wives protective mothers embittered mothers devoted daughters a new sense of the richness of Japanese women's experience a new appreciation for feelings too long submerged The New York Times Book Review [Stories by Contemporary Japanese Women Writers](#) Noriko Mizuta, Noriko Mizuta Lippit, Kyoko Iriye Selden, 1982 [Handbook of Modern and Contemporary Japanese Women Writers](#) Rebecca Copeland, 2025-10-01 The Handbook of Modern and Contemporary Japanese Women Writers offers a comprehensive overview of women writers in Japan from the late 19th century to the early 21st Featuring 24 newly written contributions from scholars in the field representing expertise from North America Europe Japan and Australia the Handbook introduces and analyzes works by modern and contemporary women writers that coalesce loosely around common themes tropes and genres Putting writers from different generations in conversation with one another reveals the diverse ways they have responded to similar subjects Whereas women writers may have shared concerns the pressure to conform to gendered expectation the tension between family responsibility and individual interests the quest for self affirmation each writer invents her own approach As readers will see we have writers who turn to memoir and autobiography while others prefer to imagine fabulous fictional worlds Some engage with the literary classics whether Japanese Chinese or European and invest their works with rich intertextual allusions Other writers grapple with colonialism militarism nationalism and industrialization This Handbook builds a foundation which invites readers to launch their own investigations into women's writing in Japan [Japanese Women Novelists in the 20th Century](#) Sachiko Shibata Schierbeck, 1994 It was not until Kawabata Yasunari won the 1968 Nobel Prize for literature that the average Western reader became aware of contemporary Japanese literature A few translations of writings by Japanese women have appeared lately yet the West

remains largely ignorant of this wide field In this book Sachiko Schierbeck profiles the 104 female winners of prestigious literary prizes in Japan since the beginning of the century It contains summaries of their selected works and a bibliography of works translated into Western languages from 1900 to 1993 These works give insight into the minds and hearts of Japanese women and draw a truer picture of the conditions of Japanese community life than any sociological study would present Schierbeck s 104 biographies constitute a useful reference work not only to students of literature but to anyone with an interest in women s studies history or sociology

Be a Woman Joan E. Ericson, 1997-09-01 Joan Ericson s magnificent survey of writing by Japanese women significantly advances the current debate over the literary category of women s literature in modern Japan and demonstrates its significance in the life and work of twentieth century Japan s most important woman writer Hayashi Fumiko 1903-1951 Until the early 1980s the literary category of women s literature joryu bungaku segregated most writing by modern Japanese women from the literary canon Women s literature was viewed as a sentimental and impressionistic literary style that was popular but was critically disparaged A close scrutiny of Hayashi Fumiko s work in particular the two pieces masterfully translated here the immensely popular novel *Horoki Diary of a Vagabond* and *Suisen Narcissus* shows the inadequacies of categorizing her writing as women s literature Its originality and power are rooted in the clarity and immediacy with which Hayashi is able to convey the humanity of those occupying the underside of Japanese society especially women
