American Children in Early Childhood Education Sophia Han, Jinhee Kim, Sohyun Meacham, Su-Jeong Wee, 2023-11-24 Early childhood professionals can use this one-of-a-kind work to better serve Korean American children in the United States. Four transnational mother educators share the lived experiences of Korean American children and their families through candid and vivid narratives that counter stereotypical and prejudicial beliefs about Asian American communities. Topics include parenting beliefs and practices, naming practices, portrayals in children's picturebooks, translingual home practices, and responses to microaggressions. The text raises awareness about various dynamics within the Korean American community for a more nuanced discourse. The authors bring a wealth of hybrid positioning and experiences as former early childhood educators, first-generation Korean American immigrants, current teacher educators working with pre- and inservice teachers, and researchers in different states, as well as mothers of second-generation Korean American children. Book Features: Shares original stories and experiences of Korean American children and families to dismantle prevalent narrow narratives. Offers practical implications and considerations for classroom teachers regarding family engagement, critical literacy, translanguaging, and social-emotional learning. Includes user-friendly features such as discussion questions, lesson ideas, and a list of appropriate picturebooks. *Mathematizing Children's Literature* Allison Hintz, Antony T.

Smith, 2023-10-10 Many teachers use traditional counting and shape books in math class. But what would happen if we approached any story with a math lens? How might mathematizing children's literature give learners space to ask their own questions and make connections between stories, their lives, and the world around them? These are the questions authors Allison Hintz and Antony T. Smith set out to explore in *Mathematizing Children's Literature: Sparking Connections*. Joy and

Wonder Through Read Alouds and Discussion as they invite us to consider fresh ways of using interactive read alouds to nurture students as both readers and mathematicians Inside Mathematizing Children s Literature you ll learn how to do the following Select picture books according to the goals of the read aloud experience Plan and facilitate three styles of read aloud discussions Open Notice and Wonder Math Lens and Story Explore Utilize Idea Investigations experiences that invite students to pursue literacy and math focused ideas beyond the pages of the read aloud Connect with students families and communities through stories Along the way Hintz and Smith provide a wide range of picture book suggestions and appendices that include ready to use lesson planning templates a form for notes and a bookmark of guiding questions
