Howe, 2016-05-28 Contains all the stories found in the Appendix of the large two volume work entitled *The Catechist* As the author has stated in his Preface to the original edition of *The Catechist* it is not presumed that these examples are to be read to those who are being instructed though in most cases they may be but preferably they are to be retold to the students by the instructor For this reason the author has greatly abbreviated them with the understanding that the instructor as the occasion may require will adapt the stories to the level of the students

THE NOBLEMAN AND THE CATECHISM
