## Stories From The East:

**Stories Of The East** Leonard Woolf,2020-01-11 Although Leonard Woolf has long been revered as one of the great literary minds of the 20th century he is seldom remembered as a writer of fiction While his novel *The Village in the Jungle* has the status of a minor classic his superb collection of short stories dating back to his time as a colonial administrator in Ceylon has been almost completely forgotten The stories provide disturbing commentaries about the disintegration of the colonial process and the uncomfortable moral ground occupied by the servants of the British Government in Ceylon prior to the Great War Goodreads **Stories of the East** Leonard Woolf,1921 *Old Stories of the East* James Baldwin,1928

**The Sacred Books of the East: The Satapatha-Brahmana, pt. 1** ,1882 **The Sacred Books of the East: Buddhist Suttas** ,1881 **The Sacred Books of the East: Buddhist Suttas, translated by T.W. Rhys Davids** ,1881 *The Sacred Books of the East* Friedrich Max Müller,1884 **Sacred Books of the East** ,1882 **Old Stories of the East** James Baldwin,1895 **The Sacred Books of the East: The Qur'an, pt. II** ,1880 *Old Stories of the East (Classic Reprint)* James Baldwin,2015-07-19 Excerpt from *Old Stories of the East* There are few stories which in themselves are more intensely interesting than those that have come down to us from antiquity through the medium of the Hebrew Scriptures Yet they have been so generally and so exclusively employed for the purpose of imparting religious instruction that their purely literary qualities have not always received the attention which they merit By very many persons grown up people as well as children they are regarded as being inseparably connected with the services of the Sunday school and the Church and hence scarcely to be thought of during the secular days of the week There is really no good reason why this should be so Indeed there is no good reason why children in the day schools should not read these old stories of the East with as much freedom and with as eager zest as they peruse the classic myths of Greece or the ever charming tales with which the world of modern fiction abounds In the present volume it has been the aim of the author to retell these stories from a literary standpoint and in exactly the same manner as he would retell other stories pertaining to the infancy of the human race About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Sacred Books of the East: The Dhammapada, Sutta-Nipata** ,1901 *The Sacred Books of the East: see v. 35* Friedrich Max Müller,1965 *A Reader's Companion to the Short Story in English* Erin Fallon,Rick Feddersen,James Kurtzleben,Maurice A. Lee,Susan Rochette-Crawley,2000-12-30 While the short story has existed in various forms for centuries it has particularly flourished during the last hundred years and especially in recent decades Though many

outstanding novels have been written in the 20th century most of these writers have also published short fiction And in many cases their short stories exhibit a greater degree of coherence and integrity than their longer works The rise of creative writing programs in the 1960s helped fuel the growth of the short story and brought academic attention to it So too the emergence of multiculturalism encouraged authors of diverse backgrounds to write about their cultures This reference is a guide to the contemporary English language short story Included are alphabetically arranged entries for roughly 50 English language short story writers from around the world such as Chinua Achebe John Barth Jamaica Kincaid Salman Rushdie and Amy Tan More than half the American writers profiled are from historically marginalized groups such as Jewish Americans African Americans and Asian Americans Most of these authors have been active since 1960 and they reflect a wide range of experiences and perspectives in their works Each entry is written by an expert contributor and includes biographical material a brief review of existing criticism a lengthier analysis of specific works and a selected bibliography of primary and secondary sources The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory
