Stories of Fantasy Worlds from the Backside Universe Vincent B. Mottola, 2001-12-01 NULL **Stories of Fantasy Worlds from the Backside Universe** Vincent B. Mottola, 2001-12 The Stories Behind the Poses Rai Balkaran, 2022-07-26 A beautifully written introduction to Indian mythology join storyteller scholar and teacher Dr Raj Balkaran and explore the unforgettable tales behind 50 key yoga poses War of the Fantasy Worlds Martha C. Sammons, 2009-12-22 This investigation focuses on C S Lewis s and J R R Tolkien s contrasting views of art and imagination which are key to understanding and interpreting their fantasy works providing insight into their goals themes and techniques as well as an appreciation of the value and impact of their mythologies Most scholarship about J R R Tolkien and C S Lewis describes their shared faith and academic interests or analyzes each writer s fantasy works War of the Fantasy Worlds C S Lewis and J R R Tolkien on Art and Imagination is the first to focus solely on their contrasting concepts of fantasy The authors views of art and imagination the book shows are not only central to understanding the themes value and relevance of their fantasy fiction but are also strikingly different Understanding the authors thoughts about fantasy helps us better understand and appreciate their works Yet this book is not a critical analysis of The Lord of the Rings or The Chronicles of Narnia Rather it examines only elements of Tolkien's and Lewis's books that relate to their views about art fantasy and creativity or the implementation of their theories. The result is a unique and altogether fascinating perspective on two of the Transfiguring Transcendence in Harry Potter, His Dark Materials and most revered fantasy authors of all time Left Behind Mike Gray, 2013-10-23 Three recent and commercially successful series of novels employ and adapt the resources of popular fantasy fiction to create visions of religious identity J K Rowling's Harry Potter books Phillip Pullman's Dark Materials and Tim LaHaye and Jerry Jenkins Left Behind series The act of creating fantasy counter worlds naturally involves all three stories in the creation of what Mike Gray terms transfigurations of transcendence hopeful albeit paradoxical encodings of the ambiguous non observable reality whose primary locus in modern society is the societally extra systemic human individual Popular fantasy fiction turns out to involve acts of world creation that are inherently religious and inherently paradoxical A substantive examination shows that all three are involved in more or less intentional re narrations of traditional Christian beliefs and narratives The atheist His Dark Materials series does not deny but re imagines the Christian visions of selfhood the traditionalist Left Behind series does not simply replicate but modifies its own declared values the apparent secularity of the Harry Potter series is shaped by its creative reception of Christian patterns and narratives While the stories visions of selfhood clearly clash the basic paradoxes involved in their struggle to articulate transcendence expose significant parallels and a productive conversation with the Christian tradition It is not simply that popular fantasy fiction is theologically relevant the Christian Heilsgeschichte too proves to be highly relevant in popular culture However while far from obsolescent models of religious identity in contemporary society require criticism and creativity and as evinced most

The Voice Behind the Curtain Warrior Zuzu, 2015-03-04 THE VOICE BEHIND THE CURTAIN A story of forgiveness vengeance and redemption The toxic past in ones life will always plot to overthrow one If it becomes an offender spare it not for the sake of your own deliverance Be swift in making your decision and be unkind toward it Make no peace with it and do not resist the pressure to smite it

**Discovering Dune** Dominic J. Nardi, N. Trevor Brierly, 2022-08-01 Frank Herbert's Dune is one of the most well known science fiction novels of all time and it is often revered alongside time honored classics like The Lord of the Rings Unlike Tolkien s work the Dune series has received remarkably little academic attention This collection includes fourteen new essays from various academic disciplines including philosophy political science disability studies Islamic theology environmental studies and Byzantine history that examine all six of Herbert's Dune books As a compendium it asserts that a multidisciplinary approach to the texts can lead to fresh discoveries Also included in this collection are an introduction by Tim O Reilly who authored one of the first critical appraisals of Herbert's writings in 1981 and a comprehensive bibliography of essential primary and secondary sources Stories Behind the Great Traditions of Christmas Ace Collins, 2010-05-04 Enhance your holiday celebrations as you discover the real story behind some of your most beloved Christmas customs and how they all point to Christ Ever wonder where some of our unique and meaningful Christmas traditions come from Why are red and green popular colors of the season Why is exchanging gifts a family tradition The golden traditions of Christmas gifts wreaths stockings carols mistletoe and more infuse your celebration of the season with meaning and glowing memories And in ways you may not realize they also point you to the birth of Christ Stories Behind the Great Traditions of Christmas reveals the people places and events that shaped the best loved customs of this merriest of holidays Stories Behind the Great Traditions of Christmas includes insights about Gift giving Christmas trees Caroling Nativity scenes Yule logs Stockings Advent wreaths Mistletoe Holly and more You will discover how After eighteen centuries of all but ignoring the event churches began to open the door for believers to commemorate Jesus incarnation The evergreen tree once a central theme in the worship practices of pagan cultures came to represent the everlasting love of God The magi s three gifts gold

frankincense and myrrh are filled with spiritual symbolism Stories Behind the Great Traditions of Christmas is the perfect gift to infuse your celebration with spiritual insights true life tales and captivating legends to intrigue you and your family Bring new luster and depth to your modern traditions while you celebrate Jesus birth The traditions of Christmas lend beauty awe and hope to the holiday causing people all over the world to anticipate it with joy Warm your heart as you rediscover the true and eternal significance of Christmas The Message Behind the Movie—The Reboot Douglas Beaumont, 2022-04-11 When it comes to movies people of faith often focus on negative assessments of the film industry and certain style elements that they find objectionable such as violence nudity or harsh language While these criticisms are important they are not the whole story A film's message and its method are not always the same thing By discussing the cinematic techniques and the genre considerations filmmakers use to communicate their ideas this book helps Catholics and other Christians to become informed viewers Douglas Beaumont shows how to evaluate the stories that movies tell and how to discern what they say about reality God and what it means to be human At the same time he illustrates how movie watchers can engage in thoughtful lively discussions about not only film but also the big questions in life The Victorian Era in Twenty-First Century Children's and Adolescent Literature and Culture Sonya Sawyer Fritz, Sara K. Day, 2018-01-19 Victorian literature for audiences of all ages provides a broad foundation upon which to explore complex and evolving ideas about young people In turn this collection argues contemporary works for young people that draw on Victorian literature and culture ultimately reflect our own disruptions and upheavals particularly as they relate to child and adolescent readers and our experiences of them The essays therein suggest that we struggle now as the Victorians did then to assert a cohesive understanding of young readers and that this lack of cohesion is a result of or a parallel to the disruptions taking place on a larger even global scale

The Languages of World Literature Achim Hölter,2024-03-04 This volume opens the series of papers presented at the Vienna Congress of AILC ICLA 2016 beginning with eight keynotes Thirty four further papers are dedicated to the central theme of the conference the linguistic side of world literature under different focal points The volume further contains five roundtables the papers of a workshop of the UNESCO memory of the worlds programme a presentation of the avldigital de platform as well as several bibliographically enriched overviews of the special lexicography of comparative literature up to date versions of the ICLA publications and an example of multiple translations of a famous modern classic Wild West Exodus Anthology Brandon Rospond,2015-03-31 Blood drenches the sands of the Wild West as the promise of a new age dies screaming its last breath into an uncaring night An ancient evil has arisen in the western territories calling countless people with a siren song of technology and promises of power and glory the likes of which the world has never known Forces move into the deserts some answering the call others desperate to destroy the evil before it can end all life on Earth

Pendleton-Jullian, John Seely Brown, 2018-12-04 Tools for navigating today's hyper connected rapidly changing and radically contingent white water world Design Unbound presents a new tool set for having agency in the twenty first century in what the authors characterize as a white water world rapidly changing hyperconnected and radically contingent These are the tools of a new kind of practice that is the offspring of complexity science which gives us a new lens through which to view the world as entangled and emerging and architecture which is about designing contexts In such a practice design unbound from its material thingness is set free to design contexts as complex systems In a world where

causality is systemic entangled in flux and often elusive we cannot design for absolute outcomes Instead we need to design for emergence Design Unbound not only makes this case through theory but also presents a set of tools to do so With case studies that range from a new kind of university to organizational and even societal transformation Design Unbound draws from a vast array of domains architecture science and technology philosophy cinema music literature and poetry even the military It is presented in five books bound as two volumes Different books within the larger system of books will resonate with different reading audiences from architects to people reconceiving higher education to the public policy or defense and intelligence communities. The authors provide different entry points allowing readers to navigate their own pathways through the system of books Storytelling Across Worlds: Transmedia for Creatives and Producers Tom Dowd, Michael Niederman, Michael Fry, Josef Steiff, 2015-01-30 Don't restrict your creative property to one media channel Make the essential leap to transmedia From film to television to games and beyond Storytelling Across Worlds gives you the tools to weave a narrative universe across multiple platforms and meet the insatiable demand of today s audience for its favorite creative property This the first primer in the field for both producers and writers teaches you how to Employ film television games novels comics and the web to build rich and immersive transmedia narratives Create writing and production bibles for transmedia property Monetize your stories across separate media channels Manage transmedia brands marketing and rights Work effectively with writers and producers in different areas of production Engage audiences with transmedia storytelling Up to date examples of current transmedia and cross media properties accompany each chapter and highlight this hot but sure to be enduring topic in modern media Voices; Tormented to Life; A True Story R. J. Donnelly, 2022-11-11 Voices tells of a world where lives are adrift in a sea of flames Such an atmosphere of dancing human remains may be hard to imagine unless it s been lived Like firebrands streaking through a black night sky Spirit things can seem a fantasy to a casual eye As for the telling s in this book they re not a glimpse aEUR but a deep gaze and the encounters of a human soul Born far apart Sue and Bob's lives began as fairytales aEUR but as fairytales will do their dreams bled out and soaked the ground Broken homes drugs alcohol and a confused moral compass led them down treacherous paths Then in 1973 while drifting through the universe their twisting paths collided one day in the dark Bob was a violent atheist who professed he was god Sue who once aspired to be a Nun now dabbled in mysticism in her parched thirst for truth Then came the days of the Valiant ones who laid siege to our Kingdom for four months Two months in Sue prayed through the nightaEUR and when I learned of it I threatened her life God then showed her in a dream my soul now completely void of light and as she watched giant soulless birds began devouring me Two weeks later and close to death alone in my room I prayed and once I asked for forgiveness a voice above me spoke So the days of my dying ended aEUR for the days of miracles had now begun This is a true story
