**Stories of Saint Nicholas** James Kirke Paulding, 1995-10-01 James Kirke Paulding like his famous contemporary Washington Irving was known for his colorful tales of the Dutch tradition and customs in the Hudson Valley Throughout the 1820s and 1830s Paulding wrote a number of Christmas tales the best of which are brought together in this collection and which predate Charles Dickens's A Christmas Carol Paulding presents his stories as they have been translated from the original Dutch by a fictitious author In them Saint Nicholas a sixteenth century Dutch Protestant baker miraculously befriends those who uphold Dutch traditions and sets straight those who are either mean or given to newfangled notions Younger children will greatly enjoy The Origins of the Baker's Dozen Claas Schlaschenschlinger and for the most part The Ride of St Nicholas on New Year's Eve Stories of St Nicholas will appeal to general readers and especially those interested in the New York Dutch customs and traditions **Catalogue of Copyright Entries**, 1909 **The Best Adirondack Stories**

**of Philander Deming** Philander Deming, 1997-03-01 In simple darkly faceted stories Philander Deming writes as a person whose childhood knowledge of the Adirondacks has been honed to a fine sense for its potential human tragedy In this the first collection of his best work a haunting vision of the Adirondacks comes through that is hard to forget Deming's themes revolve around deception and self deception loneliness and good intentions gone awry Most of his stories occur just before or after the Civil War In almost every story however Deming shows his characters looking back towards the mountains from the Mohawk or St Lawrence Valley or from lonely settlements on the edge of the forest or across Lake Champlain Few Adirondack writers have been so convincing in conveying the keen isolation of life in the northern forest and its peculiar effects on the human mind The wilderness community is cruel fostered by ignorance and isolation In the end the mountains seemingly a neutral back drop against which individuals confront a collective morality are the real source of his inspiration
