Stories To The Dark Explorations In Religious Imagination:

Stories to the Dark William James O'Brien, 1977 Foundations of Religious Literacy John V. Apczynski, 1982
Originally published by the College Theology Society in 1982 this collection of essays addresses issues of religious literacy. The explorations forming the unifying motif here focus on where religious classics can be found today how they are encountered and how their meaning is properly grasped and expressed. These concerns are vital to those engaged professionally in the transmission, assimilation and creative development of our cultural heritage. Co-published with the College Theology Society.

FINDING INFINITE GOD in JEWISH-CHRISTIAN DIALOGUE Vivian Anne Scarnati
Scott, 2025-02-11

A Virtuous Path to GOD FINDING INFINITE GOD IN JEWISH CHRISTIAN DIALOGUE Behold I am the LORD the GOD of all flesh Is anything too wondrous for Me Jeremiah Nevi im Prophets 32:27 The thought provoking ageless question above from GOD also answers every age of humanity. Now in the third decade of our twenty-first Century today's expanding communication marvels while accelerating to future enterprises often become mindfully absent of the Godly source driving their intellectual capacity. Jewish-Christian interreligious dialogue travels those same highways of mind although at times hampered by prejudice, depravity and indifference. This theological work argues and advocates a best position for successful dialogue between two faiths grappling with the grave injustices and blood-stained persecutions of an incomprehensible unconscionable history that can only be resolved by GOD. In recounting horrific facts from Holocaust, Inquisition and other atrocities marring the beautiful life GOD intended these events had occurred even after meaningful Divine Prophetic Word warned of grave outcomes. And in consequence GOD's omnipotence in rescuing His people is evidenced throughout history. Somehow evil never prevailed. The Scriptures remind us to seek and trust our loving Creator Who has faithfully kept His Covenants beyond space and time. Such Divine reminders seed hope and fortitude to guard our rights and religion in this embattled world struggling against politically spate doctrines and limited laws failing race and freedom. Tragically even in our new century massacres and mayhem borne out of evil persist afflicting our Churches, Synagogues and homes. Still while at times disharmony quells the joy of living there is no greater force or wonder than Infinite GOD. Success in Jewish-Christian dialogue just as good deeds for interfaith relations requires abiding respect for fellow humanity and a loving non-discriminating heart. GOD's markers and signposts all lead to purposeful truth: the trilateral pure virtuous and charitable road is the only way beyond an otherwise dark impious world into a luminous one, a realm where humanity may share joyful dialogue and divinely planned spiritual destiny. Ageless immutable Ten Commandments from GOD forged with basic precepts unchanged and following His first nurturing Seven Noahide Laws ground and inspire what religious scholars consider for valid communication essential for interreligious dialogue. Remarkably the Noahide Laws were defined as the bedrock of society by a Joint Resolution of the U.S. Congress on March 21, 1991 see Preface section on The Rainbow Covenant. GOD's sacred scriptural truths proclaimed by His prophets are resounded by heavenly-minded

theologians qualified to teach His Word The researched testimonial criteria given within this work yield beneficial recommendations for a best heavenly directed path for finding GOD in harmonious dialogue Six eminent contemporary theologians interviewed herein assembled equally from Jewish and Christian communities are joined with a renowned hierarchy of blessing and inspiration who nobly illuminate the way These virtuous champions who profess GOD s eternal truth while valiantly identifying winding disparities and dissidence contrary to His intended Plan acknowledge and communicate in their own humble and human understanding that indeed nothing is too wondrous for GOD

[Theologies of Fear in Early Greek Epic](#) Carman Romano,2024-09-24 This book explores the theological significance of horror elements in the works of Hesiod and in the Homeric Hymns for the characters within these poems the mortal audience consuming them and the poet responsible for mythopoesis Theologies of Fear in Early Greek Epic argues that just as modern supernatural horror fiction can be analyzed to reveal popular conceptions of the divine so too can the horrific elements in early Greek epic Romano develops this analogy to

show how myth makers chose to include omit or nuance horror elements from their narratives in order to communicate theological messages By employing methodological approaches from religious studies classical studies and literary studies of supernatural horror fiction this book brings a fresh perspective to our understanding of how the Greeks viewed their gods and how poets helped to create that view Theologies of Fear in Early Greek Epic will be of interest to scholars in classical studies religious studies and comparative literature as well as students in courses on myth religion and Greek culture and society

Theology of Horror Ryan G. Duns, SJ, 2024-10-15 Theology of Horror explores the dark reaches of popular horror films bringing to light their implicit theological and philosophical themes Horror films scare and entertain us but there s more to be found in their narratives than simple thrills Within their shadows an attentive viewer can glimpse unexpected flashes of orthodox Christian belief In Theology of Horror Ryan G Duns SJ invites readers to undertake an unconventional pilgrimage in search of these buried theological insights Duns uses fifteen classic and contemporary horror films including The Blair Witch Project A Nightmare on Elm Street Candyman and The Purge as doorways to deeper reflection Each chapter focuses on a single film teasing out its implicit philosophical and theological themes As the reader journeys through the text a surprisingly robust theological worldview begins to take shape as glimmers of divine light emerge from the darkness Engaging and accessible Theology of Horror proves that rather than being the domain of nihilists or atheists the horror film genre can be an opportunity for reflecting on things visible and invisible as Christians profess in the Nicene Creed
