picture for a younger generation The political process of attaching meaning to historical events has ultimately failed due to the lack of consensus then and now regarding events surrounding the Vietnam War Reviewing the record of American politics film and television this volume provides a brief overview of the war s appearance in American popular culture It examines the ways in which this conflict has consistently resurfaced in social and political life especially in the arena of contemporary world events such as the Soviet incursion into Afghanistan the Gulf War and the 2004 presidential campaign To this end the work explores the contexts and uses of the Vietnam War as a recurring subject The circumstances and symbolism used in the rhetoric of the political elite and the news media including the New York Times the Washington Post Time and Newsweek are discussed Emphasis is also placed on the role of film and television as the book examines movies such as *The Deer Hunter* and *Apocalypse Now* and TV series such as *M A S H* In weaving together the political and screen appearances of the Vietnam War the book reexamines the influence of a major episode in American history The British National Bibliography Arthur James Wells,2009 *The Complete Navarone* Alistair MacLean,Sam LLeuwellyn,2008 Twelve hundred British soldiers isolated on the small island of Kheros off the Turkish coast waiting to die Twelve hundred lives in jeopardy lives that could be saved if only the guns could be silenced The guns of Navarone vigilant savage and catastrophically accurate Navarone itself grim bastion of narrow straits manned by a mixed garrison of Germans and Italians an apparently impregnable iron fortress To Captain Keith Mallory skilled saboteur trained mountaineer fell the task of leading the small party detailed to scale the vast impossible precipice of Navarone and to blow up the guns The Guns of Navarone is the story of that mission the tale of a calculated risk taken in the time of war In Force 10 from Navarone the heroic survivors have no time to rest on their laurels Almost before the last echoes of the famous guns have died away Keith Mallory Andrea and Dusty Miller are parachuting into war torn Yugoslavia to rescue a division of Partisans and to fulfil a secret mission so deadly that it must be hidden from their own allies In Storm Force from Navarone Mallory Miller and Andrea are sent on a perilous mission through the Pyrenees to disable the greatest threat to the success of the D Day landings the Werewolf U boats With less than six days to locate the submarines and destroy them and communications insecure they must operate outside normal channels cut off from any back up In Thunderbolt from Navarone they are summoned to Naval HQ and told to reconnoitre the reek island of Kynthos determine the German development of the lethal and experimental A3 rocketry and destroy any facilities It seems like a guaranteed suicide mission but if anyone can pull off the impossible it s Mallory and his team Catalog of Copyright Entries.
