the lost island Luis Arturo Acevedo Acevedo, 2019-07-21 Our story begins in the Caribbean Sea where an old fisherman sought his daily sustenance both economically and food And that he drowned his sorrows and his memories in alcohol and the bars of the island where he lived In his long voyages in the sea our character came across a desert island mysterious and somewhat terrifying which he observed on certain occasions but which in the development of our history will have great significance for our adventurer An old sailor in love with life adventures and young girls And with a dark past that I always tried to erase in the liquor The story will take an unexpected turn in the life of the fisherman and will put him in many
