Heidhues explores the history of the community from the early nineteenth century establishment of the kongsis to the Dayak Raids which uprooted the rural Chinese population in the 1960s. **Demon Possession** John Warwick Montgomery, 2018-01-26 In January of 1975 the Christian Medical Association gathered to deliver papers on the subject of demon possession. The essayists are Christians affiliated with a variety of academic institutions. The essays themselves explore the phenomena of the demonic in the Bible in literature on the mission field in anthropology legal history and psychiatric treatment. All of the participants accept the reality of the demonic but they are circumspect in their scholarship. If you are looking for a more substantial treatment than what you might find in popular booklets on the subject or on the fiction aisle this is it. Never before or since this symposium has there been a focused study of this magnitude on demon possession.
