**Storm Over the Land** Carl Sandburg,1995      **Storm Over the Land. A Profile of the Civil War. Taken Mainly from Abraham Lincoln: the War Years, Etc. [With Plates, Including Portraits, and with Maps.].** Carl SANDBURG,1942      **Storm Over the Land** Carl Sandburg,1939      *Storm Over the Land* Carl Sandburg,1942      Storm Over the Land Carl Sandburg,2015-10-20 Writings on the American Civil War selected from the Pulitzer Prize winning presidential biography Abraham Lincoln The War Years with illustrations and maps Drawn from Carl Sandburg s magisterial biography of the sixteenth US president this volume focuses in on the War Between the States bringing the author s trademark clarity and vivid style to this dark and dramatic period in the nation s history Moving from Sumter to Shiloh Antietam to Gettysburg **Storm Over the Land** is a classic chronicle of this bloody conflict richly illustrated with halftones and drawings      **Anthropologists in the Stock Exchange** Marc Flandreau,2016-09-19 Uncovering strange plots by early British anthropologists to use scientific status to manipulate the stock market **Anthropologists in the Stock Exchange** tells a provocative story that marries the birth of the social sciences with the exploits of global finance Marc Flandreau tracks a group of Victorian gentleman swindlers as they shuffled between the corridors of the London Stock Exchange and the meeting rooms of learned society showing that anthropological studies were integral to investment and speculation in foreign government debt and inversely that finance played a crucial role in shaping the contours of human knowledge Flandreau argues that finance and science were at the heart of a new brand of imperialism born during Benjamin Disraeli s first term as Britain s prime minister in the 1860s As anthropologists advocated the study of Miskito Indians or stated their views on a Jamaican rebellion they were in fact catering to the impulses of the stock exchange for their own benefit In this way the very development of the field of anthropology was deeply tied to issues relevant to the financial market from trust to corruption Moreover this book shows how the interplay between anthropology and finance formed the foundational structures of late nineteenth century British imperialism and helped produce essential technologies of globalization as we know it today

**Frederick Douglass** Philip S. Foner,Yuval Taylor,2000-04-01 One of the greatest African American leaders and one of the most brilliant minds of his time Frederick Douglass spoke and wrote with unsurpassed eloquence on almost all the major issues confronting the American people during his life from the abolition of slavery to women s rights from the Civil War to lynching from American patriotism to black nationalism Between 1950 and 1975 Philip S Foner collected the most important of Douglass s hundreds of speeches letters articles and editorials into an impressive five volume set now long out of print Abridged and condensed into one volume and supplemented with several important texts that Foner did not include this compendium presents the most significant insightful and elegant short works of Douglass s massive oeuvre      **The Birth of the FBI** Willard M. Oliver,2019-07-16 Most people believe the Federal Bureau of Investigation began under J Edgar Hoover in the 1920s or 1930s Many also naturally assume it was developed for the express purpose of fighting crime However the

reality is very different The reality is it began years earlier in 1908 under President Theodore Roosevelt In *The Birth of the FBI* Teddy Roosevelt the Secret Service and the Fight Over America's Premier Law Enforcement Agency Willard Oliver details the political fight that led to the birth of America's premier law enforcement agency Roosevelt was concerned about conservation and one issue he wanted enforced were the fraudulent land deals being perpetrated by many people including some members of Congress When he began using the Secret Service to investigate these crimes Congress blocked him from doing so The end result of this political spat was Roosevelt's creation of the FBI which heightened the political row between the two branches of government in the final year of Roosevelt's presidency The truth of the matter is the premier law enforcement agency in the United States was actually created because of a political fight between the executive and legislative branches of government *The Birth of the FBI* reveals the true story behind the birth of the FBI and provides some useful insight into an important part of our American history

**Radical Roots** Denise D. Meringolo, 2021-10-28 While all history has the potential to be political public history is uniquely so public historians engage in historical inquiry outside the bubble of scholarly discourse relying on social networks political goals practices and habits of mind that differ from traditional historians *Radical Roots Public History and a Tradition of Social Justice Activism* theorizes and defines public history as future focused committed to the advancement of social justice and engaged in creating a more inclusive public record Edited by Denise D Meringolo and with contributions from the field's leading figures this groundbreaking collection addresses major topics such as museum practices oral history grassroots preservation and community based learning It demonstrates the core practices that have shaped radical public history how they have been mobilized to promote social justice and how public historians can facilitate civic discourse in order to promote equality This is a much needed recalibration as professional organizations and practitioners across genres of public history struggle to diversify their own ranks and to bring contemporary activists into the fold Catherine Gudis University of California Riverside Taken all together the articles in this volume highlight the persistent threads of justice work that has characterized the multifaceted history of public history as well as the challenges faced in doing that work Patricia Mooney Melvin *The Public Historian* Kith and Kin Carolyn Lawton Harrell, 1984 William Lawton 1723-1757 immigrated from England to Charleston County South Carolina during or before 1737 married three times and moved in 1744 to Edisto Island Colleton County South Carolina Descendants and relatives lived in South Carolina Georgia North Carolina Virginia and elsewhere **Carl Sandburg** George J. grandparents Grandma Lady's number one rule is Keep Quiet About Family Business But when her beloved daddy goes missing Lyndie faces a difficult choice follow Lady's rule and do nothing which doesn't help her father or say something and split her family right down the middle **Handbook**, 1980 *The Oxford Companion to American Literature* James David Hart, 1948 *The Era of the Civil War--1820-1876* US Army Military History Research Collection, 1974 An Anecdotal History of the United States District Court for the District of Columbia, 1801-1976 Matthew F. McGuire, 1977 This is not intended in any sense as a formal history of the United States District Court for the District of Columbia Anecdotal and episodic its only purpose is to point up the great traditions of a great Court a Court unique in origin yet an integral part of the federal system It has been written as time and opportunity provided and appeared originally for the most part in the Journal of the Bar Association of the District of Columbia from January to May 1966 It has now been rewritten to a large extent together with such emendations as were found necessary and the addition of new material in order to point up the fact that the Court actually had its genesis in that of the Republic now celebrating in this Year of Our Lord its bicentennial year Foreword **The Era of the Civil War--1820-1876** Louise A. Arnold-Friend, US Army Military History Institute, 1982

Civil War Books Tom Broadfoot, 1996 **The Civil War Centennial Handbook** William H. Price, 2022-08-10 William H Price's *The Civil War Centennial Handbook* is an intricate examination of one of America's most tumultuous periods the Civil War Beyond the well trodden paths of battle narratives and campaign studies this work delves into the vibrant mosaic of lesser known facts and colorful fragments that reveal the war's human aspect and the incredible industrial effort behind the Union's armament production The book's structure a compendium of anecdotal history visual documentation and detailed appendices brings together a collection of rare anecdotes graphical content from the National Archives and the Library of Congress and meticulous reference materials offering both scholars and enthusiasts a unique perspective on the war that shaped the nation Its literary style nestled in the didactic tradition with scholarly precision enriches the historical context and enhances our understanding of the era's complexity and the war's omnipresent influence on American legacy William H Price's intellectual dedication to Civil War studies is evident throughout his masterful curation of the *The Civil War Centennial Handbook* The author influenced by the centennial reflection on the conflict has meticulously assembled a work that serves as both a memorial and a guide for contemporary and future scholars Price's scholarly pursuit likely driven by a deep seated reverence for history's lessons and a commitment to educational dissemination has resulted in a book that not only informs but also pays homage to the intricate tapestry of wartime experiences and ingenuity This narrative journey is an embodiment of the author's endeavor to construct a palpable connection to the era's trials and triumphs through an extensive array of sources Recommended for history buffs academics and the general reader with an interest in the American Civil War *The Civil War Centennial Handbook* by William H Price offers a distinctive and deeply researched perspective on an epoch defining conflict The book is especially valuable for those seeking to expand their understanding beyond major events

to include the myriad elements that defined the war's true breadth. Through Price's meticulous research and evocative presentation, this handbook emerges as an indispensable resource, inviting readers not only to learn about but to viscerally experience through a treasure trove of historical artifacts the indelible mark left by the Civil War on America's national identity.
