# Storming Heaven Jazz Age

**Nathan Miller**

## **Storming Heaven Jazz Age:**

Storming Heaven Jay Stevens, 1987 *Storming Heaven* digs beneath the headlines to bring an amazing science story in which Harvard professors become holy men and a generation drops out to seek cosmic bliss only to find something much darker

*Encyclopedia of the Jazz Age: From the End of World War I to the Great Crash* James Ciment, 2015-04-08 This illustrated encyclopedia offers in depth coverage of one of the most fascinating and widely studied periods in American history Extending from the end of World War I in 1918 to the great Wall Street crash in 1929 the Jazz age was a time of frenetic energy and unprecedented historical developments ranging from the League of Nations woman suffrage Prohibition the Red Scare the Ku Klux Klan the Lindberg flight and the Scopes trial to the rise of organized crime motion pictures and celebrity culture *Encyclopedia of the Jazz Age* provides information on the politics economics society and culture of the era in rich detail The entries cover themes personalities institutions ideas events trends and more and special features such as sidebars and photos help bring the era vividly to life

**Storming Heaven** Richard O'Brien, 1983

*The Brazen Age* David Reid, 2016-03-22 A brilliant sweeping and unparalleled look at the extraordinarily rich culture and turbulent politics of New York City between the years 1945 and 1950 *The Brazen Age* opens with Franklin Delano Roosevelt's campaign tour through the city's boroughs in 1944 He would see little of what made New York the capital of modernity though the aristocratic FDR was its paradoxical avatar a city boasting an unprecedented and unique synthesis of genius ambition and the avant garde While concentrating on those five years David Reid also reaches back to the turn of the twentieth century to explore the city's progressive politics radical artistic experimentation and burgeoning bohemia From 1900 to 1929 New York City was a dynamic metropolis on the rise and it quickly became a cultural nexus of new architecture the home of a thriving movie business the glittering center of theater and radio and a hub of book magazine and newspaper publishing In the 1930s the rise of Hitler and World War II would send some of Europe's most talented men and women to America's shores vastly enriching the fields of science architecture film and arts and letters the list includes Albert Einstein Erwin Panofsky Walter Gropius George Grosz Andr Kert sz Robert Capa Thomas Mann Hannah Arendt Vladimir Nabokov and John Lukacs Reid draws a portrait of the frenzied creative energy of a bohemian Greenwich Village from the taverns to the salons Revolutionaries socialists and intelligentsia in the 1910s were drawn to the highly provocative monthly magazine *The Masses* which attracted the era's greatest talent from John Reed to Sherwood Anderson Djuna Barnes John Sloan and Stuart Davis And summoned up is a chorus of witnesses to the ever changing landscape of bohemia from Malcolm Cowley to Ana's Nin Also present are the pioneering photographers who captured the city in black and white Berenice Abbott's dizzying aerial views Samuel Gottscho's photographs of the waterfront and the city's architectural splendor and Weegee's masterful noir lowlife But the political tone would be set by the next president and Reid looks closely at Thomas Dewey Henry Wallace and Harry Truman James Forrestal secretary of the navy under Roosevelt would be influential in establishing a new position in

the cabinet before ascending to it himself as secretary of defense under Truman but not before helping to usher in the Cold War With The Brazen Age David Reid has magnificently captured a complex and powerful moment in the history of New York City in the mid twentieth century a period of time that would ensure its place on the world stage for many generations

Soundtrack Available Pamela Robertson Wojcik,Arthur Knight,2001-12-03 Essays on film soundtracks composed of popular music rather than the composed film score both in relation to the films and circulating separately on record

**Fiction, 1876-1983: Titles** R.R. Bowker Company. Department of Bibliography,R.R. Bowker Company. Publications Systems Department,1983     **Forthcoming Books** Rose Arny,1999     Sacred Drugs Gary Laderman,2025-09-25 Sacred Drugs explores the numerous ways in which psychoactive substances from alcohol to psilocybin cannabis to pharmaceuticals and coffee to tobacco intersect with religious life This cutting edge volume acknowledges the ubiquity of drug use in American society and that in fact being drugged with an altered state of consciousness is a common feature of American life today as it has been throughout human history and across global ancient cultures Its focus is on the undeniable and pervasive evidence that drugs are often consumed for religious purposes Sacred Drugs touches on the presence of drugs in a number of religious traditions including Christianity Hinduism and Islam It also delves into the religious textures sensibilities and histories of psychoactive agents sometimes intersecting with these traditions sometimes with Indigenous cultures around the world and sometimes not directly related to any particular religion but instead related to more basic existential religious concerns a mortal body that suffers ages and dies but also yearns for transcendence healing and ecstasy or the desire to uncover and live true to one s identity as well as to find energizing communities that bind individuals together or how to counter chaos meaninglessness and disorder This controversial book will be the go to volume for readers interested in the complex relationship between religious life and psychoactive substances     **America in Historical Fiction** Vandelia L. Vanmeter,1997-02-15 Portrayals of America s people places and events in historical fiction integrate literature with history and make an exciting supplement to U S history classes This book helps educators and students locate the best in classic and contemporary fiction in this subject area Arranged in major chronological divisions of U S history the annotated entries include standard bibliographic information time period subject location research base if known and whether the title is more appropriate for mature students or younger secondary students VanMeter often lists prequels and sequels or notes when a title is more than 600 pages long Extensive indexing provides access to entries on a wide variety of topics from women immigrants and ethnic groups to military political and social events     An American Vein Danny Miller,Sharon Hatfield,Gurney Norman,2005 An American Vein is an anthology of literary criticism of Appalachian novelists poets and playwrights The book reprises critical writing of influential authors such as Joyce Carol Oates Cratis Williams and Jim Wayne Miller It introduces new writing by Rodger Cunningham Elizabeth Engelhardt and others     **Books in Print Supplement** ,1985     The New York Times Dance Reviews 2000 New York Times Staff,2001 This anthology examines Love s Labours

Lost from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource

No Country for Old Age Mischa Honeck, 2025-01-10 Since the birth of their nation Americans have acted on the belief that theirs was a land of youth a place destined to offer a fresh start to an aging world No Country for Old Age tells this story from the founding period to our present moment but not without exposing its darker side rejuvenation has often bred grand expectations that end in division and despair Mischa Honeck reveals how Americans of diverse backgrounds have sought not only to feel and look younger but also to breathe new life into their communities Whether marching under the banners of science public health sexual liberation physical fitness nation building or world peace these youth seekers have tended to paint their ventures in utopian colors However from the founders to today's Silicon Valley elites anti aging ventures have repeatedly magnified social inequalities often projecting visions of society that have been unmistakably classist racist misogynist and ageist Today we are experiencing rejuvenation's Janus faced legacy As transhumanists rhapsodize about cyber enhancing human bodies ghastly pandemics old age poverty and shrinking life expectancies are poised to become the new normal for many twenty first century Americans

The Hippies John Anthony Moretta, 2017-01-26 Among the most significant subcultures in modern U S history the hippies had a far reaching impact Their influence essentially defined the 1960s hippie antifashion divergent music dropout politics and make love not war philosophy extended to virtually every corner of the world and remains influential The political and cultural institutions that the hippies challenged or abandoned mainly prevailed Yet the nonviolent egalitarian hippie principles led an era of civic protest that brought an end to the Vietnam War Their enduring impact was the creation of a 1960s frame of reference among millions of baby boomers whose attitudes and aspirations continue to reflect the hip ethos of their youth

*The Nation and Athenæum*, 1928

New World Coming Nathan Miller, 2010-05-11 A vibrant fast paced exploration of the pivotal and dynamic 1920s era focusing on many of the colorful characters of the time and on three presidents Harding Coolidge and Hoover The images of the 1920s have been indelibly imprinted on the American imagination jazz bootleggers flappers talkies the Model T Ford Babe Ruth Charles Lindbergh's history making flight over the Atlantic But it was also the era of the hard won vote for women racial injustice censorship widespread social conflict and the birth of organized crime Chronicling what he views as the most consequential decade of the past century Nathan Miller an award winning journalist and five time Pulitzer nominee paints a vivid portrait of the 1920s focusing on the men and women who shaped that extraordinary time including ironically three of America's most conservative presidents Harding Coolidge and Hoover In the twenties the American people soared higher and fell lower than they ever had before As unprecedented economic prosperity and

sweeping social change dazzled the public the sensibilities and restrictions of the nineteenth century vanished and many of the institutions ideas and preoccupations of our own age emerged With scandal sex and crime the lifeblood of the tabloids the contemporary culture of celebrity and sensationalism took root and journalism became popular entertainment By discarding Victorian idealism and embracing twentieth century skepticism America became for the first time thoroughly modernized There is hardly a dimension of our present world from government to popular culture that doesn't trace its roots to the 1920s and few decades are more intriguing or significant today The first comprehensive view of the era since Only Yesterday Frederick Lewis Allen's 1931 classic *New World Coming* reveals this remarkable age from the vantage point of nearly a century later It's all here the images and the icons the celebrities and the legends in a book that will resonate with history readers 1920s aficionados and Americans everywhere *The New Yorker*, 2000 **Most Dangerous Man in America** Bill Minutaglio, Steven L. Davis, 2025-05-01 From Bill Minutaglio and Steven L. Davis authors of the PEN Center USA award winning *Dallas 1963* comes a madcap narrative about Timothy Leary's daring prison escape and run from the law On the moonlit evening of September 12 1970 an ex Harvard professor with a genius I Q studies a twelve foot high fence topped with barbed wire A few months earlier Dr Timothy Leary the High Priest of LSD had been running a gleeful campaign for California governor against Ronald Reagan Now Leary is six months into a ten year prison sentence for the crime of possessing two marijuana cigarettes Aided by the radical Weather Underground Leary's escape from prison is the counterculture's union of dope and dynamite aimed at sparking a revolution and overthrowing the government Inside the Oval Office President Richard Nixon drinks his way through sleepless nights as he expands the war in Vietnam and plots to unleash the United States government against his ever expanding list of domestic enemies Antiwar demonstrators are massing by the tens of thousands homemade bombs are exploding everywhere Black Panther leaders are threatening to burn down the White House and all the while Nixon obsesses over tracking down Timothy Leary whom he has branded the most dangerous man in America Based on freshly uncovered primary sources and new firsthand interviews *The Most Dangerous Man in America* is an American thriller that takes readers along for the gonzo ride of a lifetime Spanning twenty eight months President Nixon's careening global manhunt for Dr Timothy Leary winds its way among homegrown radicals European aristocrats a Black Panther outpost in Algeria an international arms dealer hash smuggling hippies from the Brotherhood of Eternal Love and secret agents on four continents culminating in one of the trippiest journeys through the American counterculture *The Listener*, 1988 **Encyclopedia of the Sixties** Abbe A. Debolt, James S. Baugess, 2011-12-12 Comedian Robin Williams said that if you remember the 60s you weren't there This encyclopedia documents the people places movements and culture of that memorable decade for those who lived it and those who came after *Encyclopedia of the Sixties A Decade of Culture and Counterculture* surveys the 1960s from January 1960 to December 1969 Nearly 500 entries cover everything from the British television cult classic *The Avengers* to the Vietnam War and the

civil rights movement The two volume work also includes biographies of artists architects authors statesmen military leaders and cinematic stars concentrating on what each individual accomplished during the 1960s with brief postscripts of their lives beyond the period There was much more to the Sixties than flower power and LSD and the entries in this encyclopedia were compiled with an eye to providing a balanced view of the decade Thus unlike works that emphasize only the radical and revolutionary aspects of the period to the exclusion of everything else these volumes include the political and cultural Right taking a more academic than nostalgic approach and helping to fill a gap in the popular understanding of the era
