Telling Their Stories Puerto Rican Women And Abortion:

Telling Their Stories Jean P. Peterman, 2019 Abortion and the right of a woman to control her fertility cross boundaries of race ethnicity and social class In this revealing and in depth study Jean P Peterman focuses on a group of Puerto Rican women in Chicago whose decisions about abortion highlight the contradictions between the sexually conservative ethnic and religious beliefs of this community and the fact that Latina women including Puerto Rican women have abortions at a rate one and a half times as high as non Latinas For more than half the women Peterman interviewed their decision to have an abortion allowed them to maintain opportunities for themselves or to resist male control Despite their resistance to traditional gender roles their Puerto Rican identity remains strong The term cultural story coined by sociologist Laurel Richardson explains how cultures create and support their social worlds their cultural and social frameworks as well as beliefs about home community sex roles and family A collective story is an oppositional story a form of resistance and a catalyst for change In this book the stories recounted by these women involve struggles against barriers intrinsic to their social structure such as poverty prejudice and discrimination that ultimately shape newfound feelings of independence inner strength and control over their own fertility and their lives

Kimball,2020-06-12 Many women throughout the world face the challenge of confronting an unexpected or an unwanted pregnancy yet these experiences are often shrouded in silence An Open Secret draws on personal interviews and medical records to uncover the history of women s experiences with unwanted pregnancy and abortion in the South American country of Bolivia This Andean nation is home to a diverse population of indigenous and mixed race individuals who practice a range of medical traditions Centering on the cities of La Paz and El Alto the book explores how women decided whether to continue or terminate their pregnancies and the medical practices to which women recurred in their search for reproductive health care between the early 1950s and 2010 It demonstrates that far from constituting private events with little impact on the public sphere women s intimate experiences with pregnancy contributed to changing policies and services in reproductive health in Bolivia Reproductive Health Psychology Olga B. A. van den Akker,2012-03-23 This volume provides a

comprehensive up to date theoretical andempirical background to the psychology of reproductive health Provides a life span perspective of the psychology ofreproductive health and its disorders from menarche to menopauseand reproductive health in older age Focuses on issues of the individual s reproductive healthexperience including reproduction pregnancy maternity andbirth as well as conditions such as PMDD dysmenorrhea and eventsincluding pregnancy failure and abortion Acknowledges the wider social context with discussions ofpoverty inequality educational and economic status age andurban versus rural access Addresses life style related factors human rights to choice information and access fertility control and reproductive healthregulation and health care services Illustrates topics with empirical data supported with tablesand figures

Selective Reproduction in the 21st Century Ayo Wahlberg,Tine M. Gammeltoft,2017-08-12 This book explores how conditions for childbearing are changing in the 21st century under the impact of new biomedical technologies Selective reproductive technologies SRTs technologies that aim to prevent or promote the birth of particular kinds of children are increasingly widespread across the globe Wahlberg and Gammeltoft bring together a collection of essays providing unique ethnographic insights on how SRTs are made available within different cultural socio economic and regulatory settings and how people perceive and make use of these new possibilities as they envision and try to form their future lives Topics covered include sex selective abortions termination of pregnancies following detection of fetal anomalies during prenatal screening the development of preimplantation genetic diagnosis techniques as well as the screening of potential gamete donors by egg agencies and sperm banks This is invaluable reading for scholars of medical anthropology medical sociology and science and technology studies as well as for the fields of gender studies reproductive health and genetic disease research Latina/o Sexualities Marysol Asencio,2010 Latina os are currently the largest minority population in the United States They are also one of the fastest growing Yet we have very limited research and understanding of their sexualities Instead stereotypical images flourish even though scholars have challenged the validity and narrowness of these images and the lack of attention to the larger social context Gathering the latest empirical work in the social and behavioral sciences this reader offers us a

critical lens through which to understand these images and the social context framing Latinas and their sexualities Situated at the juncture of Latina/o studies and sexualities studies *Latina/o Sexualities* provides a single resource that addresses the current state of knowledge from a multidisciplinary perspective Contributors synthesize and critique the literature and carve a separate space where issues of Latina/o sexualities can be explored given the limitations of prevalent research models This work compels the current wave in sexuality studies to be more inclusive of ethnic minorities and sets an agenda that policy makers and researchers will find invaluable

Global Debates, Local Dilemmas Tran Minh Hang, 2018-12-20 The practice of sex selective abortion is on the rise globally stirring debates about gender inequality medical ethics and reproductive autonomy This book is the first ethnography to document practices of sex selection in Viet Nam It shows how and why abortions are used to select the sex of children and how Vietnamese individuals and health professionals are implicated in this illicit and controversial practice Telling the stories of women who have undergone sex selective abortions it traces their passage through sex determination and abortion decision making phases and investigates their experiences during and after their sex selective abortions It describes the turmoil experienced by individuals who undergo such abortions and explores their interactions with the spectrum of social actors and health institutions that facilitate practices of sex selection As the first ethnographic study on sex selective abortions in Viet Nam this book delves into socially sensitive terrain and sheds light on personally fraught individual experiences of reproductive agency It documents societal responses to sex selective abortions in Viet Nam and identifies gaps in the state's capacity to regulate reproductive desire in a marketised economy A resource for researchers it contributes to ongoing debates on sex selection and provides a framework for developing relevant social policies interventions and support services This pioneering study offers a nuanced and sensitive account of sex selective abortion as human experience Through thought provoking case studies the book provides rare ethnographic documentation of the complex quandaries that arise as selective reproductive technologies are routinised across the globe Tine M Gammeltoft Department of Anthropology University of Copenhagen

Sustaining Faith Traditions Carolyn Chen, Russell Jeung, 2012-07-06 The landscape of U S immigration has changed dramatically since Herberg first published his theory Most of today's immigrants are Asian or Latino and are thus unable to shed their racial and ethnic identities as rapidly as earlier European immigrants And rather than a flexible labor based economy allows little in the way of class mobility for some immigrants and rapid mobility for others *New West Indian guide*, 1999

Feminists Who Changed America, 1963-1975 Barbara J. Love, 2006-09-22 Documenting key feminists who ignited the second wave women's movement Barbara J Love's *Feminists Who Changed America 1963-1975* will be the first comprehensive directory to document many of the founders and leaders including both well known and grassroots organizers of the second wave women's movement It tells the stories of more than two thousand individual women and a few notable men who together reignited the women's movement and made permanent changes to entrenched customs and laws The

biographical entries on these pioneering feminists represent their many factions all parts of the country all races and ethnic groups and all political ideologies Nancy Cott's foreword discusses the movement in relation to the earlier first wave and presents a brief overview of the second wave in the context of other contemporaneous social movements
