perspective examples of South Asian emigrants in Suriname Mauritius East Africa Canada and the United Kingdom are deployed in order to show that in each of these regions there are South Asian emigrants who do not fit into the Indian diaspora concept raising questions about the effectiveness of the diaspora as an academic and sociological index and presenting new and controversial insights in diaspora issues Literature and Nationalist Ideology Hans Harder, 2017-08-03

Writing histories of literature means making selections passing value judgments and incorporating or rejecting foregoing traditions The book argues that in many parts of India literary histories play an important role in creating a cultural ethos They are closely linked with nationalism in general and various regional sub nationalisms in particular The contributors to this volume look at a great variety of aspects of the historiography of modern regional languages of India Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka A History of Telugu Literature P. Excerpt from A History of Telugu Literature Vol 2 I have cursorily glanced through the History of Telugu Literature by Mr Chenchiah and Raja Bhujanga Rao and have been much struck by the authors grasp of the subject and broad illuminating views Mr Rice s book on Kanarese Literature opened what to South Indians must have appeared as a new way of treating literary histories and the present authors have benefited to the full by Mr Rice s example Doubtless the critical student may find in this work occasional omissions which are inevitable in view of the enormous growth of new matter as a result of recent events and researches Virasaiva literature is now being reclaimed And if the libraries of the various mutts of His Exalted Highness in the Nizam s Dominions are ransacked it is very likely that more books belonging to the same group may be discovered as also perhaps books having a special bearing on Buddhism and Jainism The ruthless manner in which Buddhist and Jain literature in Sanskrit as well as the vernaculars was suppressed and destroyed through the Brahminical reaction is the greatest tragedy of Indian culture Today much of that vast treasure has to be imported from Tibetan and Chinese renderings Though the outlook as regards possible finds in our own country is almost blank I am still in hopes of occasional good fortune in this line if a diligent and systematic search is instituted One of the merits of the present work is the historical background presented and the suggestive manner in which literature is linked up with the general social and political history of the Andhra Desa Literature is life either in its growth or its decadence and unless it is correlated with life it cannot be properly appreciated And literature is not infrequently propaganda About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
