Tempel Und Tempelzerstörung Untersuchungen Zu Den Theologischen Und:

Collected Studies on Philo and Josephus Per Bilde, Eve-Marie Becker, 2016-07-11 Philo of Alexandria and Flavius Josephus are amongst the most influential ancient writers In his long scholarly career Per Bilde 1939 2014 published various essays studies and articles examining early Judaism and the historical Jesus from the angle of the work of Philo and Josephus Many of the articles contain in depth treatment of primary sources and thus are of great value for scholars to come The studies in this volume have yet been compiled by Per Bilde himself They are now edited posthumously with contributions from Steve Mason Groningen and Mogens M ller Copenhagen responding to Bilde s work *Messiah and Exaltation* Andrew Chester, 2007 Andrew Chester focuses on Jewish messianic hope intermediary figures and visionary traditions of human transformation particularly in the Second Temple period and analyzes their significance for the origin and development of New Testament Christology He brings together five previously published essays on these themes these include two long chapters one on Jewish messianic and mediatorial traditions in relation to Pauline Christology the other on messianism and eschatology in early Judaism and Christianity plus one on messiah and Temple in Sibylline Oracles 3 5 Two further essays on the significance of Torah in the messianic age and on resurrection transformation and early Christology have been extensively revised There are also three substantial new chapters all of which engage closely with recent scholarly debate The first on the origin of Christology argues for the significance of Jewish visionary traditions of human transformation for understanding how high Christology came about at such an early stage within the New Testament The second discusses the complex questions of the definition scope and nature of Jewish messianism especially in relation to the Hebrew Bible and the more recently available Qumran evidence and their significance for the New Testament The third is concerned with what Paul means by the law of Christ and the wider issues raised by this **Dualism in Roman History II** P.F.M. Fontaine, 2023-08-14 **Flavius Josephus and Flavian Rome** Jonathan Edmondson, Steve Mason, James Rives, 2005-05-19 Flavian Rome has most often been studied without serious attention to its most prolific extant author Titus Flavius Josephus Josephus in turn has usually been studied for what he is writing about mainly events in Judaea rather than for the context in which he wrote Flavian Rome For the first time this book brings these two phenomena into critical engagement so that Josephus may illuminate Flavian Rome and Flavian Rome Josephus Who were his likely audiences or patrons in Rome How did the context in which he wrote affect his writing What do his narratives say or imply about that context This book brings together contributions from leading international scholars of Josephus and Flavian Roman history and literature Angels as Warriors in Late Second Temple Jewish Literature Aleksander R. Michalak, 2012 Originally presented as the author s thesis doctoral Trinity College Dublin 2011 **The Trial and Crucifixion of Jesus** David W. Chapman, Eckhard J. Schnabel, 2019-01-01 The Trial and Crucifixion of Jesus is a comprehensive sourcebook for those looking to gain a more robust understanding of this event through the eyes of ancient writers Featuring extrabiblical primary texts along with a new

translation and commentary by David W Chapman and Eckhard J Schnabel this work is relevant for understanding Jesus last days The significance of Jesus death is apparent from the space that Matthew Mark Luke and John devote to the Passion narrative from the emphasis of many speeches in the book of Acts and from the missionary preaching and the theology of the apostle Paul Exegetical discussions of Jesus trial and death have employed biblical Old Testament and extrabiblical texts in order to understand the events during the Passover of AD 30 that led to Jesus execution by crucifixion The purpose of this book is to publish the primary texts that have been cited in the scholarly literature as relevant for understanding Jesus trial and crucifixion The texts in the first part deal with Jesus trial and interrogation before the Sanhedrin and the texts in the second part concern Jesus trial before Pilate The texts in part three represent crucifixion as a method of execution in antiquity For each document the authors provide the original text Hebrew Aramaic Greek or Latin a translation and commentary The commentary describes the literary context and the purpose of each document in context before details are clarified along with observations on the contribution of these texts to understanding Jesus trial and crucifixion

A History of the Jewish War Steve Mason, 2016-02-24 A conflict that erupted between Roman legions and some Judaeans in late AD 66 had an incalculable impact on Rome's physical appearance and imperial governance on ancient Jews bereft of their mother city and temple and on early Christian fortunes Historical scholarship and cinema alike tend to see the conflict as the culmination of long Jewish resistance to Roman oppression In this volume Steven Mason re-examines the war in all relevant contexts such as the Parthian dimension and Judaea's place in Roman Syria and phases from the Hasmoneans to the fall of Masada Mason approaches each topic as a historical investigation clarifying problems that need to be solved understanding the available evidence and considering scenarios that might explain the evidence The simplest reconstructions make the conflict more humanly intelligible while casting doubt on received knowledge

Jews and Christians in the First and Second Centuries: The Interbellum 70–132 CE Joshua J. Schwartz, Peter J Tomson, 2017-10-02 This volume discusses crucial aspects of the period between the two revolts against Rome in Judaea that saw the rise of rabbinic Judaism and of the separation between Judaism and Christianity Most contributors no longer support the maximalist claim that around 100 CE a powerful rabbinic regime was already in place Rather the evidence points to the appearance of the rabbinic movement as a group with a regional power base and with limited influence The period is best seen as one of transition from the multiform Judaism revolving around the Second Temple in Jerusalem to a Judaism that was organized around synagogue Torah and sages and that parted ways with Christianity

The Restoration of Israel Michael E. Fuller, 2012-02-14 This study identifies and explores texts of restoration in a wide selection of Early Jewish Literature in order to assess the variety of ways in which Jews envisioned Israel's future restoration Particular attention is given to the expression of restoration in what is identified in the present study as the exilic model of restoration In this model Israel's restoration is characterized by the features of a future re-gathering b the fate of the nations and c the establishment of a new Temple The present work focuses primarily on the

first two features Through this framework Jews in the Greco Roman period could draw on Israel s history and legacy but re appropriate exile and return in new and creative ways Finally the writing of Luke Acts is investigated for its ideas of restoration and its indebtedness to Early Jewish traditions

The Pseudepigraphal Letters to the Thessalonians

Marlene Crüsemann,2018-12-13 Marlene Cr semann examines the Thessalonian letters in the context of Jewish Christian social history building upon her analysis of 1 Thessalonians Cr semann comes to the conclusion that it is post apostolic epistolary communication and questions whether it is a letter of Paul and indeed whether it is an early letter This analysis in turn adds weight to the thesis propounded by some previous scholars that the letter is somewhat out of place and may be a later work by another author Cr semann subsequently illustrates that 2 Thessalonians by contrast revokes the far reaching social separation from Judaism that characterizes 1 Thessalonians and thus aims socio historically at a solidarity with the entire Jewish people Analysing the concept of the Jews as supposed enemy the future of the Greek gentile community and the relationship between the two letters Cr semann concludes that the discussion about a divergence of the ways of Christians and Jews in early Christian times needs to be realigned

Philippi — Stadt und Christengemeinde zur Zeit des Paulus Lukas

Bormann,2014-04-09 The Roman colony of Philippi is the site upon which Paul founded his first European congregation There he encountered a political entity which bore the stamp of Roman culture through and through Part I describes Philippi s political and religious situation based on numismatic epigraphical archaeological and literary sources Part II reconstructs the relationship between Paul the congregation and the city of Philippi and demonstrates the influence which the Roman environment exerted on the church s organization and preaching The work reaches the conclusion that the Philippean community assumed an active and self confident role in implementing its mission In so doing it clashed with the Roman authorities and their insistence upon a religious praxis that did not call into question the principles or existence of the Roman State The book contributes to the interpretation of the Epistle to the Philippians as well as to the history of early Christianity and the history of Religions during the first century

Two Nations in Your Womb

Israel Jacob Yuval,2008-08-19 Since it was first published in Hebrew in 2000 this provocative book has been garnering acclaim and stirring controversy for its bold reinterpretation of the relationship between Judaism and Christianity in the Middle Ages especially in medieval Europe Looking at a remarkably wide array of source material Israel Jacob Yuval argues that the inter religious polemic between Judaism and Christianity served as a substantial component in the mutual formation of each of the two religions He investigates ancient Jewish Passover rituals Jewish martyrs in the Rhineland who in 1096 killed their own children Christian perceptions of those ritual killings and events of the year 1240 when Jews in northern France and Germany expected the Messiah to arrive Looking below the surface of these key moments Yuval finds that among other things the impact of Christianity on Talmudic and medieval Judaism was much stronger than previously assumed and that a rejection of Christianity became a focal point of early Jewish identity Two Nations in Your Womb will reshape our understanding of

Jewish and Christian life in late antiquity and over the centuries **Antike und Christentum** Hans Dieter Betz, 1998 Der Band enthält dreizehn Aufsätze aus den Jahren 1990-97 die teils in deutscher und teils in englischer Sprache verfaßt sind Der Titel zeigt die schwerpunktmäßige Thematik der Einzelstudien an die urchristliche Literatur in der Auseinandersetzung mit Antike und Christentum Eine erste Gruppe ist der Erforschung des historischen Jesus gewidmet eine zweite den Problemen der Entstehung des Christentums eine dritte der nichtchristlichen religiösen Welt des Hellenismus besonders Magie Heroenkult Hermetik Im vierten Teil erörtert Hans Dieter Betz die berühmten orphischen Goldplättchen und lenkt zu Paulus zurück Den Abschluß bildet eine grundsätzliche Darstellung der Problematik von Antike und Christentum *Theology of the New Testament* Udo Schnelle, 2009-11 For a few decades jet packs seemed to be everywhere on Gilligan's Island Lost in Space Thunderball and even the opening ceremony of the 1984 Olympics Inventors promised we'd all be flying with them now enabling us to zoom around effortlessly in the sky and getting us to work without traffic jams and trains What happened to the jet pack In The Great American Jet Pack Steve Lehto gives us the definitive history of this and related devices explaining how the technology arose how it works and why we don't have them in our garages today These individual lift devices as they were blandly labeled by the government men who financed much of their development answered man's desire to simply step outside and take flight No runways no wings no pilot's license were required Soaring through the air with the wind in your face and landing anywhere there was room to stand could this be done Yes it could be and it was But the jet pack was perhaps the most overpromised technology of all time From the rocket belt to the jet belt to the flying platform and all the way to Yves Rossy's 21st century free flights using a jet powered wing this book profiles the inventors and pilots the hucksters and cheats the businessmen and soldiers who were involved with these machines And it finally tells a great American story of a technology whose promise may one day yet come to fruition **The Jewish community of Rome** [electronic resource] Silvia Cappelletti, 2006 This publication on the Jewish community of Rome in ancient times provides interesting information about the development of the Jewish presence in the Capital of the Roman Empire and the cultural links this community created with the Diaspora and Eretz Israel **Peter Between Jerusalem and Antioch** Jack J. Gibson, 2013 Why did Peter cease eating with the Gentile Christians at Antioch Gal 2:11-14 after defending his decision to eat with Cornelius before the entire Jerusalem church Acts 11:1-18 Beginning with a character study of Peter throughout the Gospels and Acts Jack Gibson demonstrates that Peter is consistently portrayed as being a faithful disciple whose pre-Pentecost impetuosity is due to a lack of understanding of the message of Jesus and his post-Pentecost boldness is due to his newly revealed understanding of this message The historical background to the Antioch incident is considered with special consideration given to the Jewish response to Roman rule Peter's relationship with James and Paul is analyzed culminating in an evaluation of Peter's motivations for ceasing to eat with the Gentiles Early Christian Thought in Its Jewish Context John M. G. Barclay, Morna Dorothy Hooker, John Philip McMurdo Sweet, 1996-06-28 The theme of this volume is that of

continuity and discontinuity between early Christianity and its Jewish parent The formation of Christian thought in the context of its Jewish beginnings is the focus of much debate and controversy These essays cover the historical and social background of Palestine and the Diaspora the main components of the New Testament canon and early non canonical writings examining their relationship to the Jewish tradition and central themes including monotheism and Christology apocalypticism ethics and martyrdom The concise treatments with their helpful bibliographies by an international team of experts will be of interest and value to teachers and undergraduate students of the New Testament and Christian origins It puts an alternative complexion on the relationship between Judaism and the convictions of the early Christians and will stimulate discussion
