**Paul Jude Redmond**

## Temple Hill:

**Slater's (late Pigot & Co.'s) Royal National Commercial Directory and Topography of Scotland** Isaac Slater, 1860  
**Book of reference, containing the names of the owners ... of the lands ... to be taken for the purposes ... of a line of railway. [3 pt. With MS. notes].** Oxford, Coventry and Burton-on-Trent junction railway, 1845     *The Adoption Machine* Paul Jude Redmond, 2018-03-20 MAY 2014 The Irish public woke to the horrific discovery of a mass grave containing the remains of most 800 babies in the Angels Plot of Tuam's Mother and Baby Home. What followed would rock the last vestiges of Catholic Ireland, enrage an increasingly secularised nation and lead to a Commission of Inquiry. In *The Adoption Machine* Paul Jude Redmond, Chairperson of the Coalition of Mother and Baby Homes Survivors, who himself was born in the Castlepollard Home, candidly reveals the shocking history of one of the worst abuses of Church power since the foundation of the Irish State. From Bessboro Castlepollard and Sean Ross Abbey to St Patrick's and Tuam, a dark shadow was cast by the collusion between Church and State in the systematic repression of women and the wilful neglect of illegitimate babies, resulting in the deaths of thousands. It was Paul's exhaustive research that widened the global media's attention to all the homes and revealed Tuam as just the tip of the iceberg of the horrors that lay beneath. He further reveals the vast profits generated by selling babies to wealthy adoptive parents and details how infants were volunteered to a pharmaceutical company for drug trials without the consent of their natural mothers. Interwoven throughout is Paul's poignant and deeply personal journey of discovery as he attempts to find his own natural mother. *The Adoption Machine* exposes this dark history of Ireland's shameful and secret past and the efforts to bring it into the light. It is a history from which there is no turning away.     *The Big Tree* Bruce Tarver, 2024-03-06 Featuring the Tarver, Rollins, Cook and Laird Families of Mississippi, Louisiana and Texas, including their migration north, east and west. Families migrated to and from the old South, settling in places from California, Virginia, Florida throughout these United States. Cultures and traditions were passed down, merged and spread from generation to generation. Throughout the history of this family, God is ever present in the lives of all of them. They were God-fearing, Jesus-loving, Bible-believing people whose lives centered on their family and their church. There are over eight hundred names of our family spanning the pre-Civil War and post-Civil War era, agrarian society to the modern mechanized culture. Farmers' families turned into pastors, factory workers, mechanics, philanthropists, businessmen, doctors, nurses and soldiers. This family is particularly focused around the Greatest Generation, the generation that provided the men and women needed to stop the spread of the dictators' empires of World War II. Our family veterans fought in World War I, World War II, Korea, Vietnam and the deserts of the Middle East in Iraq and Afghanistan. Families are documented in this genealogy history with the use of census, marriage, social security, birth and death records. Obituaries of our ancestors through their deaths bring the families to life and bring them together. Military records honor those veterans who served our country in times of war and peace.     **Archæology and the Bible** George A. Barton, 2022-09-16 In *Arch ology and the Bible*
