The Building Work of God Witness Lee, The building of God is a crucial line of truth throughout the Scriptures God's building is the mingling of God and man This profound revelation can be seen in Jacob's dream in Genesis 28 and can be traced throughout the book of John as well as in the teachings of the Epistles , Temple of the Living God Philip N. Richardson, 2018-12-21 When writing to the Corinthians the Apostle Paul used figurative temple language repeatedly to

shape the identity of his audience Temple of God Temple of the Holy Spirit and Temple of the Living God While other scholars have identified the place of the Jerusalem temple in Paul s thinking or the impact of temples in the life of Corinth there has been no comprehensive study of the way that figurative temple language in philosophy could have influenced the Corinthians worldview Hellenistic philosophy was pervasive in the first century and provided theological guidance for faith and practice to Paul s Gentile audience before their conversion Philip N Richardson provides a comprehensive survey of figurative temple language in Hellenistic philosophy shedding light on the way that the kinds of philosophical thought known in cities like Corinth may have influenced the Corinthians to think about figurative temple language This study throws into sharp relief the similarities and differences between Paul s use of temple language and that of philosophy and illuminates Paul s setting of this language in the wider framework of 1 2 Corinthians and his purpose for its use in the argument of the letters

Notes, explanatory and practical, on the Epistles of Paul to the Corinthians Albert Barnes, 1840

Keepers of the Temple Deborah O'Donnal, 2012-07-01 Do you ever wonder why in spite of the fact that there are more and more churches being built in America each year the church and Christianity are making less of an impact within our society Each church was built for the purpose of bringing glory to God ministering to people and spreading the gospel These are excellent aspirations so what seems to be the problem Why are God seeking outsiders and even insiders becoming more and more put off with the church The purpose of this book is not to reveal the

failings of the church but rather to reveal how we Christians are failing to be all that we aspire of the church and all that Christ aspires of us Take an intriguing walk through the Bible s history of the original temple as we explore its past and discover more about God s plans for these modern temples today Then examine the blueprint left behind for us of our new covenant temple design the life of Christ Following His model can transform us into the type of living temples that continue His aspirations and change the world in a way that the church and religion were never designed to be capable of
