## **Temporary Parents:**

**Food Practices and Family Lives in Urban China** Chen Liu, 2020-11-18 This book explores the emergent relationship between food and family in contemporary China through an empirical case study of Guangzhou a typical city to understand the texture of everyday life in the new consumerist society The primary focus of this book is on the family dynamics of middle income households in Guangzhou where everyday food practices including growing food shopping storing cooking feeding and eating play a pivotal role The book aims to conduct a comprehensive and integrated analysis of themes such as material and emotional domestic cultures family relationships and social connections between the domestic and the public based on a discussion of family food practices These topics will not only offer academic readers a full understanding of the most innovative recent critical engagements with urban Chinese families but also provide more general readers with a broader view of food consumption patterns within the scope of domestic and family issues This book will be of interest to sociologists anthropologists and human geographers as well as post graduate students who are interested in food studies and Chinese studies

*When Parents Kidnap* Geoffrey L. Greif, Rebecca L. Hegar, 2010-06-15 What happens when a child is kidnapped from home by his or her own parent What are the emotional and psychological consequences of living in hiding for weeks months or even years for a child How does the parent left behind cope with having no knowledge of the child's whereabouts or well being And what could lead a parent to inflict such a painful existence on his or her own child

**Kinship by Design** Ellen Herman, 2009-08-01 What constitutes a family Tracing the dramatic evolution of Americans answer to this question over the past century *Kinship by Design* provides the fullest account to date of modern adoption's history Beginning in the early 1900s when children were still transferred between households by a variety of unregulated private arrangements Ellen Herman details efforts by the U S Children's Bureau and the Child Welfare League of America to establish adoption standards in law and practice She goes on to trace Americans shifting ideas about matching children with physically or intellectually similar parents revealing how research in developmental science and technology shaped adoption as it navigated the nature nurture debate Concluding with an insightful analysis of the revolution that ushered in special needs transracial and international adoptions *Kinship by Design* ultimately situates the practice as both a different way to make a family and a universal story about love loss identity and belonging In doing so this volume provides a new vantage point from which to view twentieth century America revealing as much about social welfare statecraft and science as it does about childhood family and private life

*Handbook of Parenting* Marc H. Bornstein, 2019-03-08 This highly anticipated third edition of the *Handbook of Parenting* brings together an array of field leading experts who have worked in different ways toward understanding the many diverse aspects of parenting Contributors to the *Handbook* look to the most recent research and thinking to shed light on topics every parent professional and policymaker wonders about Parenting is a perennially hot topic After all everyone who has ever lived has been parented and the vast majority of people become parents themselves No

wonder bookstores house shelves of how to parenting books and magazine racks in pharmacies and airports overflow with periodicals that feature parenting advice However almost none of these is evidence based The Handbook of Parenting is Period Each chapter has been written to be read and absorbed in a single sitting and includes historical considerations of the topic a discussion of central issues and theory a review of classical and modern research and forecasts of future directions of theory and research Together the five volumes in the Handbook cover Children and Parenting the Biology and Ecology of Parenting Being and Becoming a Parent Social Conditions and Applied Parenting and the Practice of Parenting Volume 1 Children and Parenting considers parenthood as a functional status in the life cycle Parents protect nurture and teach their progeny even if human development is more dynamic than can be determined by parental caregiving alone Volume 1 of the Handbook of Parenting begins with chapters concerned with how children influence parenting Notable are their more obvious characteristics like child age or developmental stage but subtler ones like child gender physical state temperament mental ability and other individual differences factors are also instrumental The chapters in Part I on Parenting across the Lifespan discuss the unique rewards and special demands of parenting children of different ages and stages infants toddlers youngsters in middle childhood and adolescents as well as the modern notion of parent child relationships in emerging adulthood adulthood and old age The chapters in Part II on Parenting Children of Varying Status discuss common issues associated with parenting children of different genders and temperaments as well as unique situations of parenting adopted and foster children and children with a variety of special needs such as those with extreme talent born preterm who are socially withdrawn or aggressive or who fall on the autistic spectrum manifest intellectual disabilities or suffer a chronic health condition *Acts and Resolves Passed by the General Court Massachusetts,1900* *Children, the Magazine for Parents* ,1927

**Family and Individual Development** D. W. Winnicott,2021-12-24 The Family and Individual Development represents a decade of writing from a thinker who was at the peak of his powers as perhaps the leading post war figure in developmental psychiatry In these pages Winnicott chronicles the complex inner lives of human beings from the first encounter between mother and newborn through the doldrums of adolescence to maturity As Winnicott explains in his final chapter the health of a properly functioning democratic society derives from the working of the ordinary good home

*Acts and Resolves Passed by the ... Legislature of the State of Maine Maine,1925* **The Psychotherapist As Parent Coordinator in High-Conflict Divorce** Susan Boyan,Ann Marie Termini,2013-12-16 Develop a Parent Coordination program and minimize high stress for children of divorce This book offers a practical model for psychotherapists working as parent coordinators in collaboration with the Courts The Psychotherapist As Parent Coordinator in High Conflict Divorce Strategies and Techniques provides professionals with an understanding of high conflict divorce and its impact on children and families This comprehensive guide lays out a step by step roadmap with tools and directives to help therapists develop and market a parent coordination practice In The Psyc *Acts and Resolves Passed by the General Court of Massachusetts*

Massachusetts,1900      **Congressional Record** United States. Congress,1977      Talk So They Can Hear Joanne Norman,2010-12-28 On many occasions parents seem to forget about the children Communicating divorce to children is essential for stability Some parents may decide not to tell the children they are divorcing Through extensive research the decision not to tell children about divorce is a bad idea The focus here is not only about telling children about divorce It is how divorce is communicated to children before during and after the divorce Both parents should sit down with the children and help them understand that life for them will not be the same There will be issues centered on child custody and residency among other things None of these issues will be comfortable for children A great deal of research has been done There is much more that can be done on the subject of communicating divorce to children My hope is that future research would include children of color      **Taking Parenting Public** Sylvia Ann Hewlett,Nancy Rankin,Cornel West,2002 Taking Parenting Public makes a compelling case that parenting has become dangerously undervalued in America today It calls for a new investment both personal and public into the work of raising children and argues that we are all stockholders in the next generation With a foreword by Sylvia Ann Hewlett and Cornel West Taking Parenting Public crosses boundaries to bring together thinkers from diverse fields spanning the political spectrum It features contributions from distinguished experts in economics political science public policy child development public health history and the media While recent books have focused on working mothers or absent fathers Taking Parenting Public is the first volume to take a comprehensive look at the common struggles of parents These essays go beyond the usual chest beating about busy parents torn between work and family demands to suggest bold solutions Instead of the typical call for parent replacement more child care more after school programs and more mentors the contributors offer fresh strategies for parent replenishment ways to put mothers and fathers back into the lives of their children not only as economic providers but also as emotional and moral providers      **Work, Love, and Learning in Utopia** Martin Schoenhals,2018-12-07 Work Love and Learning in Utopia breathes new life into the age old human preoccupation with how to create a happier society With a fascinating mix of research from cross cultural psychology macro history and evolutionary biology the book gives new credibility to the advocacy of radical equality The author a psychological anthropologist argues that the negative emotions of sadness anger and fear evolved in tandem with hierarchy while happiness evolved separately and in connection to prosociality and compassion The book covers a wide range of human concerns from economics and education to media and communication to gender and sexuality It breaks new boundaries with its scope arguing that equality of love is as important and possible as is economic equality Its argument is provocative yet practical and each chapter ends with concrete proposals that invite dialogue with any student of policy Written in an easily accessible style this book will appeal to anyone who has ever puzzled over how our social world could be remade In particular it will be very useful to students and scholars of anthropology sociology and psychology      **The Massachusetts Register** ,2019-02-22      **Family Psychodynamics in Organizational Contexts** Steen

Visholm,2021-06-20 This fascinating book shows how an understanding of the psychodynamics of the extended family from parental relations to sibling rivalries can provide insight into many of the key issues faced by organizations today Covering topics such as change management creativity autonomous groups leadership and democracy it shows how deep rooted family dynamics unconsciously frame the way we relate to each other in the workplace and how they can have a profound influence on the broader trajectory of organizations This book features Examples on how to use the extended family as a framework for understanding organizational behaviour A look beyond parental relationships to discuss sibling relationships as well Examples to illustrate key topics of practical relevance to consultants and managers *Family Psychodynamics in Organizational Contexts* is an important read for students and scholars of organizational psychology organizational studies and psychodynamics as well as consultants and coaches working in organizational contexts

*Kinship and Cohort in an Aging Society* Merrill Silverstein,Roseann Giarrusso,2013-09-01 According to family sociologist Vern Bengtson generations within families are important sources of influence change and development *Kinship and Cohort in an Aging Society* brings together scholars whose common link is their intellectual intersection with the work of Vern Bengtson an esteemed family sociologist whose accomplishments include foundational theoretical contributions to the study of families and intergenerational relations as well as the development of the widely used Longitudinal Study of Generations data set The study began in 1971 and is the basis for Bengtson s highly influential concept and measurement model the intergenerational solidarity conflict paradigm This book serves as an excellent compendium of original research that examines how Bengtson s solidarity model a theory that informs nearly all intergenerational and gerontology sociology work performed today continues to be relevant to scholars and practitioners Written by internationally recognized scholars the book s fifteen chapters are mapped to five major thematic areas to which Bengtson s research contributed family connections grandparents in a changing demographic landscape generations and cohorts micro macro dialectics religion and families in the context of continuity change and conflict and global cross national and cross ethnic concerns Key strengths of the book include the diversity of foci and data sources and the strong attention given to global and international issues *Kinship and Cohort in an Aging Society* will appeal to scholars working in sociology psychology gerontology family studies and social work

**Somebody Else's Children** John Hubner,Jill Wolfson,2003-10 With the narrative force of an epic novel and the urgency of first rate investigative journalism this important book delves into the daily workings and life or death decisions of a typical American family court system It provides an intimate look at the lives of the parents and children whose fate it decides A must for social workers and social work students attorneys judges foster parents law students child advocates teachers journalists and anyone who cares about our nation s children

*Liberal States, Authoritarian Families* Rita Koganzon,2021-05-18 *Liberal States Authoritarian Families* sheds new light on longstanding questions in educational and political philosophy about the relationship between parents and children in a liberal state Contemporary theorists argue that

the family should be democratized to reflect the egalitarian ideals of the liberal state but Koganzon argues that this desire for congruence between familial and state authority was originally illiberal in origin advanced by theorists of absolute sovereignty like Bodin and Hobbes By contrast early liberals like Locke and Rousseau rejected congruence denying personal authority in government while reinforcing it within the family Against the contemporary view that authority is the enemy of liberty Koganzon shows how familial and pedagogical authority were originally conceived as necessary preservatives for liberty

**The Welfare State in Transition** Richard B. Freeman, Robert H. Topel, Birgitta Swedenborg, 2008-04-15 Once heralded in the 1950s and 1960s as a model welfare state Sweden is now in transition and in trouble since its economic plunge in the early 1990s This volume presents ten essays that examine Sweden s economic problems from a U S perspective Exploring such diverse topics as income equalization and efficiency welfare and tax policy wage determination and unemployment and international competitiveness and growth they consider how Sweden s welfare state succeeded in eliminating poverty and became a role model for other countries They then reflect on Sweden s past economic problems such as the increase in government spending and the fall in industrial productivity warning of problems to come Finally they review the consequences of the collapse of Sweden s economy in the early 1990s exploring the implications of its efforts to reform its welfare state and reestablish a healthy economy This volume will be of interest to policymakers and analysts social scientists and economists interested in welfare states
