**A Christian Directory (Vol. 1-4)** Richard Baxter,2023-12-25 Richard Baxter's A Christian Directory is a monumental work of 17th century Puritan literature that seeks to provide a comprehensive guide for Christian living. Spanning four volumes, it encompasses a breadth of topics including moral theology, practical righteousness, and the roles of grace and faith in daily life. Baxter's literary style is characterized by clarity, didactic fervor, and an earnestness that resonates deeply with readers seeking spiritual guidance. Set against the backdrop of a tumultuous period in English religious history, this work reflects the tensions of its time, aiming to address both the spiritual and pragmatic needs of believers. Baxter, a prominent Puritan pastor and theologian, was profoundly shaped by the religious conflicts of his era, including the English Civil War and subsequent Restoration. His pastoral experiences and struggles with ecclesiastical authority deeply informed his writings, leading him to address the everyday challenges faced by Christians in a secular world. His profound commitment to the spiritual welfare of his congregation catalyzed the need for such a detailed directory. A Christian Directory is essential for anyone seeking a foundational text on Christian ethics and practice. Its practical wisdom and theological depth make it invaluable for both scholars and general readers interested in the evolution of Christian thought and the intricacies of living a life devoted to faith.

**Tempting the Earl** Rachael Miles,2016-11-01 A ZEBRA SHOUT FRESH NEW ROMANCE A DOUBLE LIFE Olivia Walgrave is finished with being a countess. Writing under a pen name, her controversial column for the scandal sheets provides her with some income and far more excitement than managing a country estate. Besides, in the three years since the wars have ended, her dashing husband hasn't spent one night under their roof. So Olivia has prepared a plan and an annulment. All she needs is his consent. Harrison Walgrave, the Earl of Levesford, let his father coerce him into marriage, but his true devotion is to his Parliamentary career and his secret work for the Home Office. Yet now, with freedom in his grasp, he finds he cannot so easily release his wife. Seeing her stir a hunger no other woman has reached, a distraction now when he is a breath away from revealing a ring of traitors could be deadly. Still, wherever his investigations lead, the thought of Olivia lingers. It might be obsession. It might be treason. But the only way to escape the temptation is to succumb. Rachael Miles' knowledge of the time period she writes about adds a depth of authenticity that enriches every page. Jodi Thomas, New York Times bestselling author.

**Tempting Target** Addison Fox,2015-07-01 New danger in Dallas and what one woman wants to keep hidden. It started with a break-in. Now, after uncovering a priceless treasure hidden in the floor of her wedding catering business, Lilah Castle has a target on her back. A mastermind has made it clear that there are no limits to winning this game. As if that weren't stressful enough, cool-eyed Detective Reed Graystone refuses to stray from her side, and his reasons aren't purely professional. But when the increasing danger is linked to a dark secret from Lilah's past, only Reed will be able to protect her from peril and from herself. All Lilah has to do is trust him before it's too late.

**A Christian Directory: Christian Ethics** Richard Baxter,2023-09-18 Richard Baxter's A Christian Directory: Christian Ethics is a seminal work that

explores the intricate relationship between theological principles and moral imperatives within the Christian faith. Written in a clear didactic style, Baxter organizes the text into accessible sections that guide readers through ethical dilemmas and practical living. Drawing upon Scripture and Puritan theology, the book serves as both a manual for ethical conduct and a spiritual guide addressing a range of topics from personal piety to societal responsibilities within a Christian framework.

Baxter, a prominent 17th-century Puritan minister, was deeply influenced by the turbulent socio-political milieu of his time, including the English Civil War. His pastoral experiences in Bridgnorth and later in Kidderminster, where he sought to address the spiritual needs of his congregation, shaped his understanding of Christian ethics. Baxter's commitment to spiritual revival and personal holiness is evident throughout the text, reflecting his desire to equip believers in navigating the complexities of moral life.

For those seeking profound insights into living a Christian life grounded in ethical principles, Baxter's *A Christian Directory* and *Christian Ethics* are invaluable resources. It is highly recommended for scholars, practitioners, and anyone interested in deepening their understanding of Christian ethics in both historical and contemporary contexts.

*One Tempting Test* Biji T. Kurien MSc MPhil PhD, 2017-11-10

In an impeccably indescribable and inexplicable place called heaven, Lucifer throws the gauntlet before God. He challenges God to pick someone for one temptation-filled test. God needs someone like Job for this test. The world is a mess. God takes a back seat in the lives of many. Violence begets violence. Blood is meeting blood. The yawning gap between the haves and have-nots irks only a few. The concern for the destitute drives a scientist, Dr. Decxtrose Epitoppe, to develop a highly nutritious drink from cellulose wastes in the middle of this chaos. As a result, socioeconomic and health disparities drop drastically in developing countries. Unfortunately, Decxtrose's euphoria also plummets when the assistant pastor of their church unexpectedly discovers that Decxtrose's mother is a prostitute. The church revokes Mrs. Epitoppe's membership, removes the senior pastor for advocating forgiveness, and promotes the assistant pastor to the helm for his bold exposé. Soon, the fatherless Decxtrose becomes a suspect in the eyes of his family and the church. They find it difficult to ignore the power of genetics. In this tumbling maelstrom of a journey, Decxtrose tries to balance work, family, and God.
