Stroman, 1990 **The Ten Commandments (Annotated, Updated)** Dwight L. Moody, 2018-05-01 Original Title Weighed and Wanting New updated edition The ten commandments are not popular today Atheists want them nowhere in sight Many Christians say they are outdated But Dwight L Moody challenges us to take a closer look Which of the ten commandments can we honestly say are not good Which of the ten commandments can we break and not suffer the consequences both here and in eternity This book will challenge you to examine God s rules for life God doesn t ask anything of us that is difficult or unreasonable and this is certainly true with Jesus Christ as our strength and the Holy Spirit to guide us This book is a challenging yet refreshing look at some of the oldest most well known words of God [The Funny Risen Jesus. Elias Christology Now!](#) Elias Rinaldo Gamboriko AJ. Ph.D, 2012-06-04 The 21st Century Church is in crisis Throughout various Christian denominations humanity is lost on its definition about the Messiah and how they personally relate to him at individual level Compared to other complement religious faiths Christianity can be said to have lost its actual interpretation about the suffering death and resurrection of the Son of Man Christians are also responsible for wondering away from the true faith given the rebellious nature of man and love for the creation rather than the Creator Himself As a result many people have found comfort in things that do not satisfy and largely deviate from the teaching of our Lord about seeking his Kingdom first and the rest to follow In Christology change is almost the source of uncertainty and a measure of fear and anxiety For many this fear is difficult to manage and it causes various reactions Some negative reactions to accept Christ include denial ignorance isolation anger resistance and resentment These reactions can cause serious effects on the environment in which the change is taking place The results can be oppression suppression violence and lack of self control A personal brief Christological study will reveal such reactions when humanity lacks a clear definition and relation with Christ The drastic transition taking place in social structures and the shifting of the long held beliefs is destroying the defining lines between Christ and Humanity The impact of these confusing ideas has been always negative where humanity no longer upholds to the teachings of the church Many people suffer violence and murder children have become victims of resentment and Christianity bears the scars of deterioration This book addresses answers to these critical occurrences from the

perspective of modern Christology The purpose the relationship and role of human experience is explored presented and supported by biblical concepts in line with the original concept of creation and why Christ had to be presented as the Son of Man in human flesh
