Cyre, 2019-06-02 This book examines the whole of Scripture as the unfolding marriage covenant between God and his people The book demonstrates that God's marriage to his people is the central theme of the Bible Eighteenth century Reformed pastor Jonathan Edwards captured that perspective when he observed The creation of the world seems to have been especially for this end that the eternal Son of God might obtain a spouse to whom he might pour forth all that immense fountain of love and grace that was in his heart and that in this way God might be glorified This book traces the divine marriage from God's promises to Abraham to the betrothal covenant that includes the Ten Commandments to Israel's breaking of the covenant as described by the prophets to the new covenant in Christ and finally to the consummation of the divine marriage covenant in Revelation at the wedding of the Lamb God instituted the marriage of a man and a woman in Genesis 2 to be an image of God's divine marriage with his people Therefore it is not a coincidence that both the Gospel and marriage are under attack in our culture Human marriage cannot be rightly understood apart from the Gospel and the Gospel cannot be fully understood apart from marriage This book enables Christians whether single or married to appreciate in a much fuller way the depth and nature of God's love for his bride Seeing how the divine marriage defines and shapes human marriage also presents a clearer understanding of the spiritual importance of human marriage inspiring Christians to pursue marriages that more faithfully reflect God's design This book proclaims Scripture's message of God's unrelenting irrevocable love for his bride and invites the church to respond Susan A Cyre MDiv helped found Presbyterians for Faith Family and Ministry in 1995 and served as its executive director until 2014 She edited its bimonthly publication Theology Matters She has authored numerous articles dealing with biblical truth and its intersection with cultural norms She and her husband live in Virginia Navy SEAL Training: Self-Confidence David Rutherford, 2012-02-01 In his first field manual for adults Navy SEAL Training Self Confidence Navy SEAL motivational speaker radio show host and life coach David Rutherford ignites readers to forge their own personal and professional self confidence by accepting 8 Life Missions As a Navy SEAL and Behavioral Training Specialist David has traveled the world and discovered the truth behind what enables the human condition to succeed in every environment He combines his personal experiences with over 70 years of proven operational successes of the SEAL Teams to develop his unique common sense motivational philosophy called Froglogic **Positive** Thinking About Our Country, Planet and Universe of God Minister Rhonda Heard, 2011-05-25 Have you ever one day dreamed of having so much self confidence that you could accomplish all of your life achievements that you have in mind or face old fears and skeletons that you have not appropriately addressed in your mental logs Well this book is just for you Positive Thinking About Our Country Planet And Universe of God A Transformational Self Esteem That Excels By Minister Rhonda Gail Charity Heard is an excellent self help guide for women and all other readers who want to improve their positive thinking and self esteem You will find yourself transforming upon reading this great book and the author who teaches you to be a better you through good and basic counseling concepts of achieving positive thinking and high self esteem Minister
